

**San Francisco State University - Cañada College
Summer Engineering Institute 2009**

July 19 – July 31, 2009

Emergency Contact Information

To all Summer Engineering Institute Participants:

In order to maximize the benefit of the Summer Engineering Institute activities for all participants, you will not be allowed to carry a cellular phone during the institute, and use of all phones including the campus public phones will only be allowed during personal time. However, your parents and family members can reach you any time during the institute through one of the emergency contact personnel. Please provide them with the following information they can use to contact you in case of an emergency.

Name	Cell Phone	Email
Dr. Nilgun Ozer	510-932-7780	mnozer@sfsu.edu
Dr. Amelito Enriquez	415-200-9081	enriquez@smccd.edu
