

Cañada College Summer Math Jam 2009
CALCULATOR REDEMPTION PROCEDURE

Dear Math Jam Participant,

Congratulations for completing the Cañada College 2009 Math Jam! As part of the benefits for completing the program, you are eligible to receive a free programmable Texas Instrument Graphing calculator. As stated in the Math Jam contract, the free graphing calculator will be issued only upon submission of proof of registration at Cañada College for either summer or fall 2009. The calculator will be issued by Ms. Mary Anne Leary, HSI-CCRA Assistant Project Director. Her office is in Bldg 18-104.

In order to streamline the process of receiving your calculator, we have set the following days for students to meet with Mary Anne:

For Students taking **SUMMER** Math Classes – Monday, June 29th to Thursday, July 2nd

For Students taking **FALL** Math Classes – Monday, August 29th to Friday, September 4th.

You will need to show proof of registration (with the appropriate dates clearly indicated) in a math course before your calculator is issued. Proof of registration can be downloaded from WebSMART.

Please call Mary Anne (650-306-3346) or send an email to learym@smccd.edu to set up an appointment.

Thank you for participating in Math Jam. We wish you the best of luck in your studies!
