

LIBERAL ARTS

Associate in Arts

The Associate in Arts with a major in Liberal Arts at Cañada College encompasses an interdisciplinary approach and provides students with the maximum amount of flexibility regarding course selections. It is an excellent degree major choice for students who have not identified a specific major and want to explore a multidisciplinary curriculum encompassing all areas of knowledge in the arts and sciences. Those students who plan to transfer to a four-year college or university should complete the Associate in Arts with a major in University Studies.

ASSOCIATE IN ARTS - LIBERAL ARTS

Core and Selective Requirements

Complete Core Courses, 15 units

Refer to page 39 of this Catalog for a list of course selections for each Area.

	UNITS
GE Area A1: Language & Rationality—English Composition	3
GE Area A2: Communication & Analytical Thinking	3
GE Area B: Natural Sciences	3
GE Area C: Humanities	3
GE Area D: Social & Behavioral Sciences	3

Selective Courses, choose a minimum of 3 units from the following list:

BIOL 310 Nutrition	3
CRER 137 Life & Career Planning	3
CRER 300 Introduction to Scholarships	1.5
CRER 401 College Success	0.5-1
CRER 430 Career Assessment	0.5
HSCI 100 General Health Science	2
HSCI 104 Nutrition & Physical Fitness	1
HSCI 105 Communicable Disease	1
HSCI 108 Women's Health Issues	1
HSCI 430 First Aid	0.5
HSCI 432 CPR: Adult, Child, Infant	0.5
HSCI 665 Special Topics in Health Science	0.5-2
PSYC 340 Psychology of Human Sexuality	3
Any Physical Education activity class except P.E. 690 or P.E. 695	maximum 1unit

Associate Degree Unit Requirements Total 18.0 *

* and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.

MATHEMATICS

Transfer Program

Mathematics provides the foundation for studying engineering, the physical, biological and health sciences, economics, business, computer science, statistics and many other fields. A major in mathematics itself opens up job opportunities in many fields since mathematical problem-solving skills are widely applicable. Thus, people with mathematical degrees work in fields such as accounting, budget and financial analysis, market research analysis, demographics, banking and finance and systems analysis, and many others.

TRANSFER PROGRAM - MATHEMATICS

Cañada College offers lower division coursework required for transfer in Mathematics. Students should use PROJECT ASSIST (www.assist.org) to research lower division major requirements at the transfer destination(s) of their choice. Also, work with a Counselor/Advisor to determine appropriate transfer coursework.

MEDICAL ASSISTING

- Certificate of Completion - Administrative Medical Assistant
- Certificate of Completion - Medical Coding Specialist
- Certificate of Completion - Clinical Medical Assistant
- Certificate of Proficiency – Medical Assisting
- Certificate of Proficiency – Medical Billing Specialist
- Certificate of Proficiency – Medical Transcription
- Associate in Science Degree – Medical Assisting
- Associate in Science Degree – Medical Billing Specialist
- Associate in Science Degree – Medical Transcription

The ability to work well with people, be well organized, and be emphatic in dealing with patients are essential qualities in a medical assistant. The Medical Assisting program at Cañada is designed to provide the finest training and experience available. Through the expertise of a talented faculty and exposure to professionals in the field, students can expect to learn administrative duties such as medical/financial records management, medical report transcription, patient appointment scheduling, and clinical duties including preparation of patients for examination, assistance with minor surgery, giving injections, and operating electrocardiographs.

The field of Medical Assisting is one of the fastest growing occupations in this decade. Career opportunities for the well-trained medical assistant are plentiful. Graduates of Cañada’s program secure employment in physician’s offices, clinic, hospitals, labs, medical publication firms, laboratories, pharmaceutical firms, public health agencies, and the claims departments of health insurance companies. Recommended high school preparation: written and oral communication skills, typing, biology, psychology, and basic mathematics.

CERTIFICATE OF COMPLETION – ADMINISTRATIVE MEDICAL ASSISTANT

The ability to work well with people, be well organized with attention to detail are essential qualities in an administrative medical assistant. Administrative skills include patient appointment scheduling, medical report transcription, medical billing and insurance, and medical/financial records management.

Administrative medical assistants work in physician’s offices, clinics, outpatient facilities, hospitals, and business offices of medical facilities.

Core Requirements

Complete Core Courses, 15 units

	UNITS
MEDA 115 Medical Word Processing	3.0
MEDA 140 Medical Transcription: Basic	3.0
MEDA 150 Medical Office Procedures	3.0
MEDA 160 Medical Insurance Procedures	3.0
MEDA 190 Introduction to Pharmacology	3.0
Certificate Unit Requirements Total	15.0 +

CERTIFICATE OF COMPLETION – MEDICAL CODING SPECIALIST

Ability to work independently and under pressure, attention to detail, organizational skills, and able to implement Federal and State compliance laws and regulations are essential qualities in a medical coder.

Medical coders work in in-patient and out-patient hospital facilities, large clinics, and insurance companies.

Core Requirements

MULTIMEDIA

- Certificate of Completion - Graphic Design
- Certificate of Completion - Web Design
- Certificate of Proficiency - Multimedia
- Associate in Arts Degree - Multimedia
- Transfer Program

CERTIFICATE OF COMPLETION - GRAPHIC DESIGN

This certificate prepares students for the career of graphic design. Graphic designers are typically responsible for graphic design production and pre press production. Graphic Designers create corporate branding and identification, logos, business cards, letterhead, newsletters, brochures, flyers, postcards and are responsible for the creation of publication marketing collateral. The Multimedia program provides the latest software and hardware to students in the graphic design certificate program. Faculty members have extensive industry experience and their expertise is critical to the success of students in this exciting and creative field.

Career opportunities include entry level Graphic Design: Pre Press, Graphic Design Assistant, Graphic Design Production Assistant, and Freelance Graphic Designers. Graphic designers can work in both large and small firms. Large companies will have their own in-house departments and hire designers directly. Other firms need the talents of a designer seasonally or for special projects and look for small design firms or freelance designers. Pre press production is a vital part of the printing industry as printing firms rely on graphic designers to correctly set up creative work for the press.

Core and Selective Requirements

Complete Core Courses, 16.5 units

	UNITS
MART 314 Introduction to Computer Graphics	3
MART 372 Digital Illustration	3
MART 376 Digital Imaging I	3
MART 377 Digital Imaging II	3
MART 378 Digital Page Layout	3
MART 390 Portfolio Creation	1.5
Certificate Unit Requirements Total	16.5 +

CERTIFICATE OF COMPLETION - WEB DESIGN

This certificate prepares students for the career of web design. Web designers are typically responsible for the design, interface, navigation, and update of websites. Web designers use a number of graphic and web creation computer software to create these websites. The Multimedia program provides the latest software and hardware to students in the web design certificate program. Faculty members have extensive industry experience and their expertise is critical to the success of students in this exciting and creative field.

Career opportunities include both freelance and in-house Web Design Assistant, Web Production Assistant, and Motion Graphics Designers. Entry level positions may be found in both large and small companies as the design of a website demands constant updating. Many career opportunities exist for freelance web design work.

Core and Selective Requirements

Complete Core Courses, 16.5 units

	UNITS
MART 314 Introduction to Computer Graphics	3
MART 368 Web Design I	3
MART 369 Web Design II	3
MART 376 Digital Imaging I	3
MART 379 Digital Animation I: Flash®	3
MART 390 Portfolio Creation	1.5
Certificate Unit Requirements Total	16.5 +

CERTIFICATE OF PROFICIENCY - MULTIMEDIA

The Multimedia Art and Technology department provides courses taught by faculty with extensive academic, professional, and industry experience. Students are guided through the department's project based courses to develop the knowledge and skills needed to incorporate the principles of visual communication in their work. Each course provides students with projects and evaluating critiques that challenge their creative problem solving skills. A culminating course (MART 390) provides the opportunity for students to construct their electronic or print portfolio utilizing these projects.

The Multimedia Program prepares students for entry level positions as graphic designers, production art designers, web designers, and production assistants in animation, video, and multimedia product development such as game development, interactive CD presentations, and digital video.

Core and Selective Requirements

Complete Core Courses, 27 units

	UNITS

MUSIC

**Associate in Arts
 Transfer Program**

“In a world of political, economic, and personal disintegration, music is not a luxury but a necessity, not simply because it is therapeutic nor because it is the universal language, but because it is the persistent focus of man’s intelligence, aspiration, and good will.” -Robert Shaw.

The Music Department at Cañada College, through its outstanding faculty, places strong emphasis upon performance, both individual and group. At the same time, the department offers the general student enhanced understanding and appreciation of all forms of music. Through this two-fold approach, the department’s purpose becomes clear: to promote excellence in all aspects of music performance and academic course work, to provide basic preparation for careers in music, and to promote interest in all musical and artistic endeavors at the college and in the Bay Area community.

ASSOCIATE IN ARTS -MUSIC

Core and Selective Requirements

PHYSICAL SCIENCES**Associate in Science - Chemistry****Associate in Science - Physics****Transfer Program**

The Physical Science Department is designed to give the student breadth in the physical sciences while providing considerable strength in one of the specialized science fields of chemistry, geology, or physics. The lower-division program in the physical science major is virtually the same as that taken in the first two years of college by a chemistry major, physics major, or geology major, thus enabling students to transfer among these majors if they so choose. A major in physical science can serve as preparation for further study in technical fields and serves as an excellent background for professional training in law, business, medicine, or education.

TRANSFER PROGRAM - PSYCHOLOGY

Cañada College offers lower division coursework required for transfer in Psychology. Students should use PROJECT ASSIST (www.assist.org) to research lower division major requirements at the transfer destination(s) of their choice. Also, work with a Counselor/Advisor to determine appropriate transfer coursework.

** and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.*
