

ACCOUNTING

- Certificate of Achievement-Entry Level Bookkeeper
- Certificate of Achievement-Accounting
- Associate in Science Degree
- Transfer Program

The Business Department offers a transfer curriculum to a four-year university, an AS Degree, and a certificate program designed to give the students both formal and practical training in accounting. The accounting AS degree and certificate programs are designed to give students enough practical experience so that they can secure a position in either the public, governmental, or private accounting sector when they have completed the recommended 25.5 - 29.5 units. Courses specifically required for the student's major must be evaluated by a letter grade, not by the credit (CR) grade.

The Certificate of Achievement is designed for those individuals that are interested in job opportunities at the entry level in bookkeeping and/or computerized accounting data entry. Those students that are interested in becoming professional bookkeepers may apply some of the course work in this certificate to the Certificate of Achievement in Accounting and the accounting A.S. degree.

The demand for entry level bookkeepers and accounting data entry personnel continues to remain high. Entry level positions pay between \$15 and \$25 per hour depending upon experience.

CERTIFICATE OF ACHIEVEMENT – ENTRY LEVEL BOOKKEEPER

Core Requirements

Complete Core Courses, 12 units

	UNITS
ACTG. 100 Accounting Procedures	3
ACTG. 180 Payroll and Business Taxes	1.5

DEGREE UNIT TOTALS WITH TRANSFER STATUS

Associate in Arts with Transfer Status – Anthropology with an Emphasis in Archaeology, Cultural Anthropology, Linguistic Anthropology, Physical Anthropology, or Visual Anthropology

Associate Degree Major Unit Requirements Total 19
CSU GE or IGETC Unit Requirements Total 37-43

Cañada College offers lower division coursework required for transfer in the area of Anthropology. Students should use PROJECT ASSIST (www.assist.org) to research lower division major requirements at the transfer destination(s) of their choice. To ensure that students' Associate in Arts Degree General Education and Elective course choices also fulfill CSU GE /IGETC unit requirements for transfer, students should work with a Counselor/Advisor to determine appropriate transfer coursework.

ART

Associate in Arts Degree: Art With an Emphasis in General Art

Associate in Arts Degree: Art With an Emphasis in Art History

Associate in Arts Degree: Art With an Emphasis in Studio Art

Transfer Program

The Art Department affords a unique experience for students seeking a solid foundation in aesthetics, skill development, and understanding of the forms and history of art. The program has been designed to offer a continuity of study through structured courses in the academic tradition. The goal of the program is to support each student in the search for a personal form, the development of the capabilities to express that form, and an appreciation of art as a means of understanding the world.

ASSOCIATE IN ARTS - ART WITH AN EMPHASIS IN GENERAL ART (PENDING STATE APPROVAL)

The Associate of Arts in Art with an Emphasis in General Art is designed for students who want a general education in the fine arts and art history.

destination(s) of their choice. Also, work with a Counselor/Advisor to determine appropriate transfer coursework.

For Multimedia certificates and degrees see MULTIMEDIA ART AND TECHNOLOGY section.

*and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.

BIOLOGICAL SCIENCES

Associate in Science Degree - Biological Sciences

Transfer Program

A major in Biological Sciences is a preparation for advanced academic work, for careers in civil service, industry, or teaching; as a background for professional training in such fields as biological science education, biotechnology, nursing, public health, environmental health, pre-medicine and all related areas of biology. Natural resources are among the most important assets of man and the wise use of renewable resources is basic to development in the economic, social and political areas. The basic pre-professional requirements necessary to transfer are offered in the Biological Sciences, Physical Sciences, and Mathematics Departments.

Degree recipients in Biological Sciences are prepared for careers in civil service, industry, or teaching; and are prepared for professional training in such fields as biological science education, biotechnology, nursing, public health, environmental health, biological or biomedical research, pre-medicine and all related areas of biology.

CHEMICAL LABORATORY TECHNOLOGY

Certificate of Achievement - Chemical Laboratory Technology

Associate in Science Degree - Chemical Laboratory Technology

The Chemical Laboratory Technology Program prepares students to work in research laboratories to study and develop new chemical processes and materials to meet the technological needs of an ever changing chemical industry. Graduates of this program operate laboratory equipment, set up chemical reactions, isolate and characterize products, follow proper safety, hazardous materials management and waste disposal procedures, record and analyze experimental results, and read, write and orally deliver technical reports. This program offers a certificate and/or an A.S. degree in Chemical Laboratory Technology.

After completion of the Certificate, students can seek employment in chemistry and chemistry related laboratories that utilize chemical instrumentation. After completion of the Associate in Science Core coursework and depending upon the choice of Selective coursework, students may seek employment in chemistry and chemical related fields or to pursue further studies in technical fields such as, but not limited to: biology, biochemistry, biotechnology, chemistry, environmental chemistry, forensic chemistry and hazardous materials management. This Program can also provide sufficient background preparation for professional training in majors such as technical writing, patent law, medicine and education.

COMPUTER INFORMATION SCIENCE

Associate in Science - Computer Information Science

Transfer Program - Computer Information Science

The Computer Information Science Program offers an AS degree and a parallel transfer program. Students who already possess a degree will gain substantial skills in computer sciences through completion of the Core Courses. The major for the AS degree in Computer Information Science consists of 12 units of Required Core Courses and 20-22 units of electives chosen from the list of Selective Courses which complete the major. Other electives for the AS degree may be chosen freely. To earn the AS degree, students also must complete general education and other graduation requirements.

ASSOCIATE IN SCIENCE - COMPUTER INFORMATION SCIENCE

Core & Selective Requirements

Complete Core Courses, 12 units

Choose either the C++ OR the JAVA path below.

C++ Path

	UNITS
CIS 118/119 Introduction to Object-Oriented Program Design/Lab I	3/1
CIS 250/251 Programming Methods I: C++/Lab I: C++	3/1
CIS 252/253 Programming Methods II: C++/Lab II C++	3/1

TRANSFER PROGRAM - COMPUTER INFORMATION SCIENCE

Cañada College offers lower division coursework required for transfer in the areas related to Computer Science. In this regard, it is suggested that students research Computer Information Systems, Management Information Systems, Computer Science, and Computer Engineering programs. Students should use PROJECT ASSIST (www.assist.org) to research lower division major requirements at the transfer destination(s) of their choice. Also, work with a Counselor/Advisor to determine appropriate transfer coursework.

** and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.*

EARLY CHILDHOOD EDUCATION/ CHILD DEVELOPMENT

Skills Certificate - Family Development

Certificate of Achievement - Early Childhood Education/Child Development

Associate in Science - Early Childhood Education /Child Development Transfer Program

The Early Childhood Education/Child Development program is designed to meet the needs of individuals planning a career working with young children and/or are currently working with young children. The child from birth to school age is the primary focus. Current research and practical applications are combined in order to assist students in planning their most effective role with children. Children's growth, developmentally appropriate practice, cultural diversity, observational skills, family support and professional development within the ECE field are major components of the program. In order to meet the varied needs of ECE students, courses are offered mornings, afternoons, evenings and weekends. The program makes every effort to schedule classes to meet the diversity of students' needs and to encourage students to plan ahead in order to complete specific program requirements.

Graduates of the ECE/CD program with the ECE/CD certificate are prepared for positions in the Early Care and Education field as teachers, family child care providers and para professionals in elementary school settings. Graduates with an AS degree with a major in ECE/CD are prepared for positions as head teachers, master teachers, site supervisors and program directors.

Any student in the ECE/CD Program may complete the certificate program in one year if a minimum of 12 units is taken each semester. Students coming from other colleges and universities may have equivalencies established if "child" is in the title of the course and no "Elementary Education" designation exists. All courses that apply toward the certificate program must be lower division work. A minimum of 12 units must be taken at Cañada College to receive the Cañada College ECE certificate.

TRANSFER PROGRAM - CHILD DEVELOPMENT

Cañada College offers lower division coursework required for transfer in areas related to Child Development and for students seeking teaching positions in a preschool, elementary, or secondary educational environment. In this regard, it is suggested that students research Child Development, Psychology, and Liberal Studies majors. Students should use PROJECT ASSIST (www.assist.org) to research lower division major requirements at the transfer destination(s) of their choice. Also, work with a Counselor/Advisor to determine appropriate transfer coursework.

CHILD DEVELOPMENT PERMIT

Cañada College's ECE/CD Certificate Program is aligned with the Child Development Permit regulations. The Permit has been approved by the California Department of Education and the Commission on Teacher Credentialing for child care and development centers operating under Title 5 (publicly subsidized).

The Child Development Permit emphasizes professional development and will eventually impact the entire Early Childhood Education field. The career lattice approach acknowledges the importance of many entry points into the profession. The Child Development Permit has taken the place of the Emergency Children's Center Instructional Permit, the Children's Center Supervision Permit, and the Life Children's Center Supervision Permit.

AREAS OF SPECIALIZATION WITHIN THE ECE/CD PROGRAM APPLICABLE TO THE MASTER TEACHER PERMIT

In accordance with the guidelines established by the Child Development Permit for the Master Teacher, Cañada College's ECE/CD Program has created several "specializations." ("Administration" is not considered a specialization.) Six semester units in specific areas define a specialization. These focus areas can be useful to students when seeking work advancement or career development options.

Infant/Toddler Care

ECE. 223 Infant Development	3

ENGINEERING

Associate in Science Transfer Program

(Civil, Mechanical, Chemical, Electrical, Environmental, Materials, and Other Principal Branches)

Engineering is one of the largest professions in the United States with over one million jobs in fields ranging from airplane design to pollution control. The four largest branches are civil, computer, electrical and mechanical engineering. All branches of engineering place a heavy emphasis on problem solving. Engineering education focuses on teaching mathematical, scientific and engineering concepts and their application to the creative and effective solution of problems. Engineering graduates work in a variety of job functions (research and development, testing, design, construction, manufacturing, sales, consulting, management) and a variety of industry sectors depending on the branch of engineering

ENGLISH AS A SECOND LANGUAGE

Certificate of Achievement - Preparation for Academic Scholarship and Success (PASS)

The Preparation for Academic Scholarship and Success (PASS) Language Certificate is a multi-skill, academic English language certificate. Upon completion, students are able to read, write, speak, and understand English in college-level academic contexts. Students who earn the Preparation for Scholarship and Success (PASS) Language Certificate are prepared to take college courses for transfer, certificates, and degrees in both academic and vocational areas. Additionally, this certificate officially recognizes the acquisition of the English language necessary to succeed in college-level courses and compete successfully in the labor market.

The Preparation for Academic Scholarship and Success (PASS) Language Certificate assists community employers in determining the level of English language qualifications and basic computer skills of potential employees.

FASHION DESIGN

- Certificate of Achievement - Custom Dressmaking/Small Business Oriented
- Certificate of Achievement - Fashion Design Merchandising
- Certificate of Achievement - Technical (Apparel Industry Oriented)
- Certificate of Achievement - Theater Costuming
- Associate in Science - Custom Dressmaking/Small Business Oriented
- Associate in Science - Fashion Design Merchandising
- Associate in Science - Technical (Apparel Industry Oriented)
- Associate in Science - Theater Costuming
- Transfer Program - Custom Dressmaking/Small Business Oriented

The Fashion Design Department gives students a thorough introduction to apparel design and manufacturing. Students are prepared to find employment in an apparel design firm or to start their own business. They will develop essential skills and techniques in sketching, fabric selection, sewing, draping, and pattern making. Business skills are learned through an entrepreneurship course, and students learn to write a business plan. The fashion industry is vast and diverse with many creative, rewarding opportunities in ready-to-wear or high fashion design. An AS degree and certificate program are offered.

CERTIFICATE OF ACHIEVEMENT - THEATER COSTUMING

The Theater Costuming Program provides students with an introduction to the costuming industry, including the many types of jobs available in this field, from designing to costume construction and show production. Students learn historic and theatrical styles, pattern making skills, tailoring and construction skills as well as design and illustration techniques to prepare them for a job in costuming. Students have the opportunity to work on actual productions through class work or internships.

The theater provides many interesting part-time, free-lance and full-time jobs in costuming, including design, patternmaking, construction, dressing a production, managing a costume shop and costume rentals. Graduates of this program will be prepared to begin a career as costume technicians in any number of areas, as well as to continue their education in costume design at a four-year university.

GEOGRAPHY

Associate in Arts

Transfer Program Available

Geography provides insights about the earth as the human habitat. It is a way of looking at the earth, not an inventory of its contents. This viewpoint rests on fundamental interlocking concepts. The cultural appraisal of the earth, the regional concept, areal coherence, human ecology, spatial interaction, study of landscape, and the concept of change are all ways the geographer tries to better understand the environment.

Study of geography prepares students for careers in location expertise, route delivery management, forestry, park ranger, teacher, community developer, outdoor guide, and soil conservationist, among others.

PROFESSIONAL SCHOOL PREPARATION

(Pre-Dentistry, Pre-Medicine, Pre-Pharmacy, Pre-Veterinary, Pre-Optometry)

Many students are interested in careers in the health sciences and wonder what they should major in at Cañada College. Students often have the misconception that "pre-med" is an academic major and it is not. Students should major in what they enjoy as long as they take the appropriate courses required for professional school (medical, dental, veterinary) admission. Some students choose majors like biological science, genetics, or microbiology, where there is a great deal of overlap between courses required for their major and the professional school undergraduate requirements. Others choose majors not directly related to their career objective, such as English, psychology, anthropology, and use their elective units to meet the professional school requirements. Professional schools, especially medical schools, are looking for well-rounded students who have taken courses in

the humanities and social sciences, and who have participated in activities and community work. More information can be found at numerous websites (i.e., www.aamc.org) and by speaking with a Counselor/Advisor.

Each professional school has a minimum number of prerequisite courses to be taken at the undergraduate level. Requirements vary from school to school. Many prerequisite courses may be taken at Cañada College.

** and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.*

HISTORY

Associate in Arts

Transfer Program Available

History is the study of continuity and change in human societies over time. It is by nature an extremely broad discipline that includes an analysis of individuals and groups, events and phenomena, long-term trends and short-term trends, institutions, societies, and cultures. Our history program at Cañada is designed to offer history majors and those interested in history not only basic transfer courses, but also the opportunity to receive a broader background in both U.S. history and the history of different regions in the world. The faculty of the history department includes specialists in many different areas of history, and thus we are able to offer our students a solid program that will prepare them to transfer to any four year university.

History majors commonly become teachers, professors, lawyers, journalists, public policy professionals, politicians, diplomats, diplomatic core professionals, political activists, writers, civil servants, and city planners.

HUMAN SERVICES

Certificate of Achievement - Promotor Education & Employment Project

Skills Certificate - Family Development

Certificate of Achievement - Community Health Worker

Certificate of Achievement - Human Services

Associate in Science - Human Services

The Human Services program at Cañada College was developed in cooperation with State and County Departments of Mental Health, Rehabilitation, Vocational Rehabilitation, and Human Services. The program is designed to train personnel to provide value-based services for families in need of temporary social, health, and economic assistance. State and county agencies, nonprofit and private providers of services, social workers, psychologists, and medical personnel work in this field.

CERTIFICATE OF ACHIEVEMENT - PROMOTOR EDUCATION & EMPLOYMENT PROJECT

The curriculum is designed to prepare individuals for entry-level positions in community-oriented health and social services. It provides a family oriented, culturally and linguistically appropriately and sensitive approaches to health & human service delivery, information and referral sources, and client advocacy in various settings.

Examples of type of positions graduates would be employed as are unit assistant, caregiver, admitting clerk, nutrition aide, health promoter, and health plan representative.

TRANSFER PROGRAM - HUMAN SERVICES

Cañada College offers lower division coursework required for transfer in Human Services. Students should use PROJECT ASSIST (www.assist.org) to research lower division major requirements at the transfer destination(s) of their choice. Also, work with a Counselor/Advisor to determine appropriate transfer coursework.

+ meet Certificate Program requirements listed on pages 49-50.

* and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree

INTERDISCIPLINARY STUDIES WITH AREAS OF EMPHASIS

Associate in Arts with Area of Emphasis

The Interdisciplinary Studies major is designed for students pursuing broad areas of study and exploration in any of the areas of emphasis described below. Option 1 enables students to complete the requirements for the Associates Degree, while option 2 enables students to complete the requirements for the Associates degree and transfer admission requirements to the California State University, University of California, or private and out-of-state universities.

Important: Completion of the CSU or UC patterns does not guarantee admission to any of these institutions. Consult with a counselor for further information.

Option 1: Cañada College Pattern

Provides an opportunity to earn an Associate in Arts degree in Interdisciplinary Studies, which covers a broad area of study and is intended for students who may not be planning to transfer to a four-year university. (replaces former Liberal Arts major)

- A. Complete Basic Competencies, including 2 units of physical activity, and Specific Areas (A, B, C, D, E) of the General Education requirements for the AA/AS degree (23 units)
- B. Complete 18 units in one of the following Areas of Emphasis
 - 1) Arts and Humanities
 - 2) Natural Science and Mathematics
 - 3) Social and Behavioral Sciences
- C. Select 19 degree-applicable units **in consultation with a counselor** to fulfill lower-division preparation and/or electives and complete the required 60 transferable and degree-applicable units for an Associate Degree.

Option 2: Transfer Pattern: California State University, University of California, or private and out-of-state university.

Intended for students who are planning to transfer to a four-year university. Courses should be chosen carefully **in consultation with a counselor**. (replaces former University Studies major)

- A. Choose a General Education Pattern
 - Complete 39 units of the CSU GE requirements (a C or better grade is required in Areas A1, A2, A3 and B4)
- OR**
 - Complete 37 units of the Intersegmental General Education Transfer Curriculum (IGETC) for UC or CSU (all courses must be completed with a C or better grade)
- B. Complete 18 units from one of the following Areas of Emphasis:
 - 1) Arts and Humanities
 - 2) Natural Science and Mathematics
 - 3) Social and Behavioral Sciences
- C. Remaining 3 to 5 units should be chosen **in consultation with a counselor** to fulfill Associate Degree competency and specific area requirements and lower-division preparation and/or electives for a total of 60 transferable, degree-applicable units for an Associate Degree.

ASSOCIATE IN ARTS - INTERDISCIPLINARY STUDIES WITH EMPHASIS IN ARTS AND HUMANITIES

Students earning this AA degree analyze and evaluate the ways in which people from different cultures have expressed themselves through the Arts and Humanities.

The degree in Interdisciplinary Studies with emphasis in Arts and Humanities requires a minimum of 18 units of coursework.

I. Arts:

Select 9 units, courses must be selected from at least 2 disciplines:

ART 100, 101, 102, 103, 104, 201, 204, 214, 301

DRAM 101, 140, 142, 143, 151, 152

LIT. 142, 143, 441, 442

MUS. 100, 115, 202, 240, 250

II. Humanities

Select 9 units, courses must be selected from at least 2 disciplines:

DRAM 142, 143, 151, 152

ENGL 110, 161, 164

HIST 100, 101, 104, 106, 201, 202, 242, 243, 245, 246, 247, 451, 452, 455

LIT. 101, 111, 142, 143, 151, 152, 200, 205, 231, 232, 233, 251, 252, 266, 301, 370, 371, 372, 373, 375, 441, 442, 445

PHIL 100, 160, 190, 240, 246, 300, 320

SPAN 120, 121, 122, 130, 131, 132, 140, 150, 152, 161, 162

SPCH 111

ASSOCIATE IN ARTS - INTERDISCIPLINARY STUDIES WITH EMPHASIS IN NATURAL SCIENCE AND MATHEMATICS

The Natural Science and Mathematics are a gateway to a very large number of occupations, many of which require specific coursework for transfer and/or admission to professional schools. In general, careers in the natural sciences require strong computational, communication and analytical thinking skills.

The degree in Interdisciplinary Studies with emphasis in Natural Science and Mathematics prepares students for further study and employment as life and physical scientists, health practitioners, engineers and science technicians.

The degree in Interdisciplinary Studies with emphasis in Natural Science and Mathematics requires a minimum of 18 units of coursework to include introductory courses, completion of at least one course in mathematics and additional advanced courses.

At least one introductory **OR** advanced course **MUST** have a laboratory experience included (* courses) or a laboratory course must be taken (# courses).

I. Introductory Science Courses: (Select a minimum of 9 units)

1. Biology: a student may choose up to 2 of the following courses to meet this requirement:

BIOL 110*, 130, 132*, 310

2. Chemistry: a student may choose 1 of the following courses to meet this requirement:

CHEM 192*, 210*, 410*

3. Physics: a student may choose 1 of the following courses to meet this requirement:

PHYS 210*, 250*

4. Other sciences: a student may choose up to 3 of the following courses to meet this requirement:

ANTH 125

ASTR 100 & 101#

ENGR 100*

GEOG 100

GEOL 100* & 101#

HSCI 100

METE 100

OCEN 100 & 101#

II. Mathematics Competency: (3 units)

MATH 125, 130, 140, 200, 222, 241, 251

III. Advanced Courses: (6 units)

BIOL 225*, 230*, 240*, 250*, 260*

CHEM 220*, 234 & 237#

MATH 242, 252, 253

PHYS 220*, 260*, 270*

ASSOCIATE IN ARTS - INTERDISCIPLINARY STUDIES WITH EMPHASIS IN SOCIAL AND BEHAVIORAL SCIENCES

The Social and Behavioral Sciences are a cluster of disciplines that analyze basic dimensions of the human world through the application of systematic methods. Social scientists study an array of topics and deploy a multitude of theories and research methods collecting and analyzing data from participant observations, group interviews, surveys, historical documents, laboratory experiments, and more. Students who earn an AA in the Social and Behavioral Sciences analyze and evaluate the social world from the perspectives of anthropology, economics, history, philosophy, political science, psychology, and sociology.

The degree in Interdisciplinary Studies with emphasis in Social and Behavioral Sciences prepares students for a variety of careers related to education, law, social work, business, politics, and human services.

Select 18 units from Social and Behavioral Sciences. Courses must be selected from at least 4 disciplines

INTERIOR DESIGN

- Certificate of Achievement - Green/Sustainable Design
- Certificate of Achievement - Interior Design
- Certificate of Achievement - Kitchen and Bath Design (endorsed by NKBA, National Kitchen & Bath Association)
- Certificate of Achievement - Redesign and Home Staging
- Certificate of Achievement- Residential and Commercial Design
- Associate in Science - Interior Design
- Transfer Program

The Interior Design Department offers courses designed for individuals interested in preparing for careers in the professional fields of interior design. Included in the program are a transfer program, an AS degree, and four certificate programs. The Kitchen & Bath Certificate is Accredited by the NKBA, National Kitchen & Bath Association. The AS degree in conjunction with the residential and commercial design or kitchen and bath certificate meets the minimum qualifying requirements for the American Society of Interior Designers (ASID) allied membership. Completion of the Kitchen & Bath Certificate prepares students for the AKBD (Associate Kitchen & Bath Design) exam and the CKD (Certified Kitchen Designer) and CBD (Certified Bath Designer). Interior Design students are required to complete the core requirements in Interior Design before taking the residential, commercial design and kitchen and bath certificate requirements. If a student has an earned Bachelor's degree, he/she must see a counselor regarding courses completed during the first two years of college that may be substituted for core requirement courses.

Options for career paths include residential design, space planning and home staging, kitchen and bath design, commercial design, retail sales and design, furniture or other product design, historic preservation and renovation, lighting design, or showroom or product manufacturer's representative.

CERTIFICATE OF ACHIEVEMENT - GREEN/SUSTAINABLE DESIGN

The Green/Sustainable Design Certificate of Achievement is designed for interested design students and professionals currently working in the industry (interior design, architecture, construction), to enhance their knowledge and skills.

Options for career paths include residential and commercial design and remodeling, historic preservation and renovation, showroom or product manufacturer's representative, work with builders and architects specializing in sustainable design projects.

LATIN AMERICAN STUDIES

Certificate of Achievement
 Associate in Arts with Transfer Status

Latin American Studies is an interdisciplinary program that combines courses from multiple academic departments to give students a broad background encompassing the historical, political, social, cultural, and geographic aspects as well as the language of the region, emphasizing social sciences, literature and the arts.

A degree in Latin American Studies affords students access to a wide range of career opportunities in the United States and abroad. The continuing importance of Latin America for the U.S. and the growing Latin population in the US have produced an increasing need for trained persons with a knowledge of the region to work in government, teaching, business and other fields.

CERTIFICATE OF ACHIEVEMENT - LATIN AMERICAN STUDIES

TRANSFER PROGRAM - LATIN AMERICAN STUDIES

Cañada College offers lower division coursework required for transfer in the area of Latin American Studies. Students should use PROJECT ASSIST (www.assist.org) to research lower division major requirements at the transfer destination(s) of their choice. To ensure that students' Associate in Arts Degree General Education and Elective course choices also fulfill CSU GE /IGETC unit requirements for transfer, students should work with a Counselor/Advisor to determine appropriate transfer coursework.

+ meet Certificate Program requirements listed on pages 49-50.

MATHEMATICS

Transfer Program

Mathematics provides the foundation for studying engineering, the physical, biological and health sciences, economics, business, computer science, statistics and many other fields. A major in mathematics itself opens up job opportunities in many fields since mathematical problem-solving skills are widely applicable. Thus, people with mathematical degrees work in fields such as accounting, budget and financial analysis, market research analysis, demographics, banking and finance and systems analysis, and many others.

TRANSFER PROGRAM - MATHEMATICS

Cañada College offers lower division coursework required for transfer in Mathematics. Students should use PROJECT ASSIST (www.assist.org) to research lower division major requirements at the transfer destination(s) of their choice. Also, work with a Counselor/Advisor to determine appropriate transfer coursework.

MEDICAL ASSISTING

Certificate of Achievement - Medical Administrative Assistant

Certificate of Achievement - Medical Coding Specialist

Certificate of Achievement – Medical Assisting

Certificate of Achievement – Medical Billing Specialist

Certificate of Achievement – Medical Transcription

Associate in Science Degree – Medical Assisting

Associate in Science Degree – Medical Billing Specialist

Associate in Science Degree – Medical Transcription

The ability to work well with people, be well organized, and be emphatic in dealing with patients are essential qualities in a medical assistant. The Medical Assisting program at Cañada is designed to provide the finest training and experience available. Through the expertise of a talented faculty and exposure to professionals in the field, students can expect to learn administrative duties such as medical/financial records management, medical report transcription, patient appointment scheduling, and clinical duties including preparation of patients for examination, assistance with minor surgery, giving injections, and operating electrocardiographs.

The field of Medical Assisting is one of the fastest growing occupations in this decade. Career opportunities for the well-trained medical assistant are plentiful. Graduates of Cañada’s program secure employment in physician’s offices, clinic, hospitals, labs, medical publication firms, laboratories, pharmaceutical firms, public health agencies, and the claims departments of health insurance companies. Recommended high school preparation: written and oral communication skills, typing, biology, psychology, and basic mathematics.

CERTIFICATE OF ACHIEVEMENT – MEDICAL ADMINISTRATIVE ASSISTANT

The ability to work well with people, be well organized with attention to detail are essential qualities in an administrative medical assistant. Administrative skills include patient appointment scheduling, medical report transcription, medical billing and insurance, and medical/financial records management.

Administrative medical assistants work in physician’s offices, clinics, outpatient facilities, hospitals, and business offices of medical facilities.

Certificate Unit Requirements Total	24+

CERTIFICATE OF ACHIEVEMENT – MEDICAL TRANSCRIPTION

Attention to detail, organizational skills, and ability to work both independently and under pressure are essential qualities in a medical transcriptionist. Medical transcriptionists specialize in transcribing physician's reports on patient medical history, physical examination, surgery, discharge, and radiological/nuclear medicine procedures from audiocassette dictation or written notes.

Medical transcriptionists work largely in physician's offices and hospitals. Their skills are also transferable to non-medical environments such as business offices, law offices, newsrooms, radio stations, and television transcription companies.

MULTIMEDIA ART AND TECHNOLOGY

Certificate of Achievement - Graphic Design

Certificate of Achievement - Web Design

Certificate of Achievement - Multimedia Art and Technology

Certificate of Achievement - 3D Animation and Videogame Art

Associate in Arts Degree - Multimedia

Associate in Arts Degree - 3D Animation and Videogame Art

Transfer Program

CERTIFICATE OF ACHIEVEMENT - GRAPHIC DESIGN

This certificate prepares students for the career of graphic design. Graphic designers are typically responsible for graphic design production and pre press production. Graphic Designers create corporate branding and identification, logos, business cards, letterhead, newsletters, brochures, flyers, postcards and are responsible for the creation of publication marketing collateral. The Multimedia program provides the latest software and hardware to students in the graphic design certificate program. Faculty members have extensive industry experience and their expertise is critical to the success of students in this exciting and creative field.

Career opportunities include entry level Graphic Design: Pre Press, Graphic Design Assistant, Graphic Design Production Assistant, and Freelance Graphic Designers. Graphic designers can work in both large and small firms. Large companies will have their own in-house departments and hire designers directly. Other firms need the talents of a designer seasonally or for special projects and look for small design firms or freelance designers. Pre press production is a vital part of the printing industry as printing firms rely on graphic designers to correctly set up creative work for the press.

Core and Selective Requirements

Complete Core Courses, 16.5 units

CERTIFICATE OF ACHIEVEMENT - WEB DESIGN

This certificate prepares students for the career of web design. Web designers are typically responsible for the design, interface, navigation, and update of websites. Web designers use a number of graphic and web creation computer software to create these websites. The Multimedia program provides the latest software and hardware to students in the web design certificate program. Faculty members have extensive industry experience and their expertise is critical to the success of students in this exciting and creative field.

Career opportunities include both freelance and in-house Web Design Assistant, Web Production Assistant, and Motion Graphics Designers. Entry level positions may be found in both large and small companies as the design of a website demands constant updating. Many career opportunities exist for freelance web design work.

CERTIFICATE OF ACHIEVEMENT - MULTIMEDIA ART AND TECHNOLOGY

The Multimedia Art and Technology department provides courses taught by faculty with extensive academic, professional, and industry experience. Students are guided through the department's project based courses to develop the knowledge and skills needed to incorporate the principles of visual communication in their work. Each course provides students with projects and evaluating critiques that challenge their creative problem solving skills. A culminating course (MART 390) provides the opportunity for students to construct their electronic or print portfolio utilizing these projects.

The Multimedia Program prepares students for entry level positions as graphic designers, production art designers, web designers, and production assistants in animation, video, and multimedia product development such as game development, interactive CD presentations, and digital video.

CERTIFICATE OF ACHIEVEMENT - 3D ANIMATION AND VIDEOGAME ART

The 3D Animation & Video Game Art Program is a comprehensive program that puts equal emphasis on the artistic and the technical side of 3D modeling and animation. Courses cover material that will take the student through the whole production process and workflow of 3D animation, from storyboarding and conceptualization to the final delivery of the rendered product. Curriculum spans traditional animation techniques, life drawing and the technical fundamentals of 3D animation and modeling. Classes are taught in a state-of-the-art computer studio with the latest versions of industry-standard software packages. Faculty members have extensive industry experience and their expertise is critical to the success of students in this growing field.

MUSIC**Associate in Arts****Transfer Program**

The music department at Cañada College provides a variety of courses to introduce students to the many ways of knowing music. The selection of courses in the music major gives a student several different creative outlets and prepares an open mind for the wide array of possibilities in the rapidly changing music world. Some courses focus on applications of technology, and others address the intersection of music and social contexts of its production. Note that this major does not specifically support transfer into most four-year degree music programs.

Students who complete this AA may be interested in careers in music marketing or music production.

ASSOCIATE IN ARTS -MUSIC**Core and Selective Requirements****Complete Core Courses, 9 units**

	UNITS

TRANSFER PROGRAM - MUSIC

Cañada College offers lower division coursework required for transfer in Music. Students should use PROJECT ASSIST (www.assist.org) to research lower division major requirements at the transfer destination(s) of their choice. Also, work with a Counselor/Advisor to determine appropriate transfer coursework.

* and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree

NURSING

Transfer Program

Pre-nursing – To prepare students to enter most nursing programs, students will need to complete BIOL 240/250/260, general chemistry (CHEM 410 or 210/220), statistics (MATH 200) and often an interpersonal communication class and writing or critical thinking class.

To prepare students to specifically enter the San Francisco State BSN nursing program at Cañada, students will need to complete BIOL 240/250/260, general chemistry (CHEM 410 or 210 or 192), statistics (MATH 200), ENG 100, SPCH 100 (or other oral communication class), PHIL 103 (or other critical thinking class), nutrition (BIOL 310) and PSYC 100. Courses not required for application but required for licensure and preparation for upper division course work include one of the following ANTH 125/350/110 or SOCI 100. Students should have no more than 1 pre-requisite in progress at the time of application.

Suggested order of courses to meet SFSU entry requirements:

	Fall semester	Spring semester
Year 1	BIOL 110 (4) or BIOL 130/132 (4) ENG 100 (3) PHIL 103 (3)	BIOL 250 (4) CHEM 410 (4) SPCH 100 (3)
Year 2	BIOL 260 (5) MATH 200 (4) BIOL 310 (3)	BIOL 240 (4) PSYC 100 (3) ANTH/SOCI elective

An introductory biology course is not required by SFSU, but either BIOL 110 or BIOL 130/132 is required before starting the BIOL 250/260/240 sequence. MATH 200 (statistics) can be taken any time after intermediate algebra.

Please note:

- All of these classes are offered every semester and most are also offered in the summer.
- We strongly urge students to take anatomy (BIOL 250) before physiology (BIOL 260). While not required, experience has shown that students do better if they take BIOL 240 last in the sequence.
- CHEM 410, CHEM 192 or CHEM 210 is required before BIOL 260 (physiology) and BIOL 240 (microbiology), so chemistry must be taken in the first year. CHEM 192 and 410 require MATH 110, while CHEM 210 requires MATH 120.
- CHEM 410 is the chemistry class most often taken by students interested in nursing.

TRANSFER PROGRAM - NURSING

Cañada College offers lower division coursework required for transfer in Philosophy. Students should use PROJECT ASSIST (www.assist.org) to research lower division major requirements at the transfer destination(s) of their choice. Also, work with a Counselor/Advisor to determine appropriate transfer coursework.

PARALEGAL

Certificate of Achievement

Associate in Science

The Paralegal Program at Cañada College was developed in cooperation with the San Mateo County Bar Association and the San Mateo County Legal Secretaries Association to train personnel to assist attorneys in both civil and criminal matters. Instruction centers on assisting the attorneys in interviewing clients and preparing legal documents. Courses must be evaluated by a letter grade, not by the credit (CR) grade.

PHYSICAL EDUCATION

Certificate of Achievement - Fitness Professional

Associate in Arts - Dance

Associate in Science - Fitness Professional

Associate in Arts - Physical Education

Transfer Program

The Physical Education/Athletics Department offers a variety of activity classes designed for lifetime enhancement of fitness, recreation and leisure time. Classes in dance, individual sports, fitness and team sports are offered at various levels of performance. Beginning classes introduce an activity; intermediate to advanced courses are designed to improve an already existing skill level.

CERTIFICATE OF ACHIEVEMENT - FITNESS PROFESSIONAL

The Fitness Professional certificate prepares students to enter the fitness/wellness/health industry. As the industry grows, so will the demand for highly qualified and certified fitness professionals. Courses cover terminology for exercise physiology, anatomy, body mechanics, health assessment, nutrition, weight management, cardiovascular pathology, and related risk factors. Students learn practical fitness testing assessment, exercise programming, and techniques to change health behaviors. Successful completion of the Fitness Professional certificate assists the students to prepare for a variety of national certification exams for Exercise Leader including the American College of Sports Medicine (ACSM) and the American Council on Exercise (ACE).

Fitness Professionals have many different job opportunities such as coaches, personal trainers, fitness/nutrition specialist, group exercise leaders, exercise/health specialist, activities director and wellness specialist.

ASSOCIATE IN ARTS - DANCE (PENDING STATE APPROVAL)

The Dance Degree allows students to develop the skills required to pursue careers in dance performance and dance education. Courses cover topics on history, anatomy, dance composition and music. Students learn practical and technical skills in Ballet, Jazz, Modern Ballet, Social Dance, Salsa, and Hip Hop. Upon completion of the program the dancers will possess good problem-solving skills, an ability to work with people, good health and physical stamina, along with flexibility, agility, coordination, and grace, a sense of rhythm, a feeling for music, and a creative ability to express themselves through movement. Faculty members have extensive experience in dance and their expertise is critical to success of students in this exciting and creative field.

Career opportunities include Dance Performers, Dance Instructors, Dance Teachers, Dance Aerobics Instructors and Choreographers. Dancers perform in a variety of settings, including opera, musical theater, and other musical productions. They also perform in television, movies, music videos, and commercials, in which they may sing and act. Choreographers and Dance Instructors create original dances, teach dance and develop new interpretations of existing dances. They work in theaters, dance schools, dance and movie studios, and at fashion shows, and are involved in auditioning performers for dance parts.

PHYSICAL SCIENCES

Associate in Science - Chemistry

Associate in Science - Physics

Transfer Program

The Physical Science Degree is designed to give the student breadth in the physical sciences while providing considerable strength in one of the specialized physical science fields. The lower-division program is virtually the same as that taken in the first two years of college by a chemistry, physics, or geology major. A major in physical science can serve as preparation for further study in technical fields and serves as an excellent background for professional training in law, business, medicine, or education.

Also, work with a Counselor/Advisor to determine appropriate transfer coursework.

POLITICAL SCIENCE

Associate in Arts - Political Science

Associate in Arts - Political Science With Emphasis in Pre-Law

Associate in Arts with Transfer Status - Political Science With Emphasis in Pre-Law

Associate in Arts - Political Science With Emphasis in Public Administration and Service

Associate in Arts with Transfer Status - Political Science With Emphasis in Public Administration and Service

Political science is the study of governments, public policies and political processes, systems, and political behavior. Political science subfields include political theory, political economy, policy studies and analysis, comparative politics, international relations, pre-law and a host of related fields. Political scientists use both humanistic and scientific perspectives and tools and a variety of methodological approaches to examine the process, systems, and political dynamics of all countries and regions of the world.

A bachelor's degree in political science can lead to exciting careers in federal, state and local governments; law; business; international organizations; nonprofit associations and organizations; campaign management and polling; journalism; precollegiate education; electoral politics; research and university and college teaching.

Political science majors gain analytical skills, administrative competence and communication abilities that are valued in a wide spectrum of potential career areas.

ASSOCIATE IN ARTS - POLITICAL SCIENCE WITH EMPHASIS IN PUBLIC ADMINISTRATION AND SERVICE

The Public Administration and Service emphasis provides a concentration of coursework in American political institutions, public policy and administrative processes. Students are introduced to knowledge and skills associated with managerial career positions in government. The combination of courses is geared toward promoting change - politically, economically and socially through the exploration of how laws and regulations are made as well as who influences public policy.

** and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.*

PSYCHOLOGY

Associate in Arts Transfer Program

Psychology, a natural and social science, is concerned with the study of human and animal behavior. While the individual is usually the focal point, as in personality, developmental, clinical and counseling areas, the influence of groups on the individual is also considered. A broad discipline, psychology involves both pure science and practical application to everyday living.

RADIOLOGIC TECHNOLOGY

Associate in Science

(X-RAY TECHNOLOGY)

The Radiologic Technology program offers a comprehensive curriculum leading to an AS degree and qualifications for employment in medical facilities throughout the country. Students participate in classroom instruction and clinical education in our affiliated hospitals. Program graduates must take the licensure examination required by the State of California and the certification examination given by the American Registry of Radiologic Technologists.

Prospective students must complete a separate application to the program (available in November for the following Fall entrance) in addition to the regular college application. An information meeting is held annually in November for prospective students. For more information, please call the Science and Technology Division office at 306-3291.

ASSOCIATE IN SCIENCE - RADIOLOGIC TECHNOLOGY

Core and Selective Requirements

Complete Core Courses, 61.5 units

	UNITS

SPANISH

Associate in Arts

Transfer Program

The foreign language department offers Spanish classes at a variety of levels, from beginner to literature. There are classes for students of Spanish as a foreign language, as well as classes specifically designed for native Spanish speakers. In addition to improving students' linguistic abilities, all courses include discussion of aspects of the culture of Spanish speakers.

The ability to speak another language is an important advantage in today's world. In particular, given the demographics in California, knowledge of Spanish is a plus in any occupation, especially in those that involve interaction with the public. Spanish majors may go on to become bilingual teachers or teachers of Spanish, translators or interpreters. A working knowledge of Spanish is a valuable skill for those wishing to pursue careers in business, international relations, social work, health services and tourism.

ASSOCIATE IN ARTS - SPANISH

Core and Selective Requirements

Selective courses: Choose a minimum of 20 units from the following:

* For native speakers of Spanish (8 units):

	UNITS

SPEECH

Associate in Arts Transfer Program

The Department of Speech Communication Studies offers a variety of classes that focus on the study of communication theory as well as the development of practical skills. Students acquire a wide variety of knowledge and skills in the areas of Communication Studies, Public Speaking, Oral Interpretation, Interpersonal Communication and Intercultural Communication. The instructors in this department emphasize the necessity of strong and logically structured argument in public speaking contexts, at the same time recognizing the primacy of humane and empathetic elements in all human communication. Classes are designed to assist students in becoming more competent communicators.

Communication skills are essential in both work and social settings. Oral and written communication skills are at the top of the list of qualities that employers look for in job candidates. Career opportunities for the program graduate includes the following careers: Advertising Executive, Business Executive, Communication Specialist, Consultant, Employee Relations Representative, Film Editor, Human Resource Administrator, Impression Management Specialist, Journalist, Media Consultant, Newscaster, Professor, Public Relations Representative, Publications, Radio Programmer, Sales Representative, Speech Writer, Teacher, Technical Writer, Television Producer, Trainer, Writer.

THEATRE ARTS

Associate in Arts Transfer Program

"The Cañada College Theatre Arts Department presents a program rich in depth and diversity. Students pursuing a career in the theatre arts or simply desiring creative expression will find in the drama department a wide array of relevant and exciting courses, as well as an extensive opportunity to put their developing knowledge and talent to work in both the creative and technical aspects of production. Students have the opportunity to perform, direct, design, build, crew, and manage plays ranging from broad comedy to edgy dramatic works.

The Cañada Theatre Arts Department can point with satisfaction to a significant and steadily growing number of its former students who go on to professional stage, film, and television work as performers, producers, and technicians - and also to the many gratified amateurs.

The Theatre Arts program is designed for students of all levels of experience. Graduates can pursue careers in: acting for stage, film, and television; voiceover for radio, TV, and video games, disk jockey; teaching drama and public speaking to children and adults in schools, theatres, and professional environments; directing for film, television, and the stage; writing for film, television, and the stage; stage management, event management, talent agent, casting director, company manager, executive director; public relations, marketing; sound design, broadcast technician, light design, makeup artist, hair stylist, wardrobe manager; carpentry, electric engineering.

UNIVERSITY TRANSFER

Meet with  Cañada College counselor to discuss how to achieve academic goals and to develop a comprehensive student educational plan (SEP).

California State University
University of California
Independent Colleges and Universities

CERTIFICATE OF ACHIEVEMENT: UNIVERSITY TRANSFER WITH THREE OPTIONS**Option 1:**

California State University General education Certification (CSU/GE): 39 units

Option 2:

Intersegmental General Education Transfer Curriculum Certification CSU (IGETC/CSU): 37 units

Option 3:

Intersegmental General Education Transfer Curriculum Certification for UC (IGETC/UC): 34-39 units

For all options, find courses approved to meet university transfer general education requirements at www.assist.org and search under Cañada College.

UNIVERSITY TRANSFER OPTION 1:**CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION CERTIFICATION (CSU-GE) - CERTIFICATE OF ACHIEVEMENT**

The Certificate of Achievement in California State University General Education Certification (CSU-GE), will be awarded upon completion of the CSU GE Certification requirements as outlined on the catalog year's CSU-GE Certification Worksheet. Students must complete a minimum of 39 units, which are distributed among five areas. CSU-GE Certification Sheet requirements are designed to be taken with a major area of concentration and elective courses in preparation for transfer to a California State University. This certificate recognizes the completion of lower-division general education requirements for the CSU. For many majors, students are encouraged to complete the CSU GE pattern; however, it is not required for admission to the CSU. An official petition must be filed with the Admission and Records Office prior to the graduation deadlines as stated in the Academic Calendar. Certification of the CSU-GE Breath will be indicated on the student's transcript. (Refer to CSU-GE pages in this catalog.)

FOR MORE INFORMATION CONTACT: Counseling Division at 650.306.3245

California State University General Education Certification (CSUGE)

Complete 39 units of coursework to meet the California State University General Education Certification requirements as listed below.

Complete 9 units from GE Area A: English Language Communication and Critical Thinking

Courses in Area A must be completed with a grade of "C" or higher.

One course required from each subsection.

A1: Oral Communication	3 units
A2: Written Communication	3 units
A3: Critical Thinking	3 units

Complete 9 units from GE Area B: Scientific Inquiry and Quantitative Reasoning

The course used to meet Area B4 must be completed with a grade of "C" or higher.

Select one course from Physical Science, Life Science, and Math Concepts. Must include one lab course*

- B1: Physical Science 3 units
- B2: Life Science 3 units
- *B3: Lab (the course selected to meet either B1 or B2 must be a lab course or have a lab component to meet the B3 requirement)
- B4: Math Concept 3 units

Complete 9 units from GE Area C: Arts and Humanities

Chose at least one course from the Arts and at least one course from the Humanities. Courses must be from at least two disciplines

- C1: Arts 3 units
- C2: Humanities 3 units
- C1 or C2: 3 units

Complete 9 units from GE Area D: Social Sciences

The 3 courses selected must be from at least two disciplines.

CSU United States History, Constitution and American Ideals (The California State University, before awarding a degree, requires students to complete courses or examinations that address: the historical development of American institutions and ideals Area US-1; and the Constitution of the United States and the operation of representative democratic government under that Constitution Area US-2; and the process of California state and local government Area US-3. Courses approved in two US areas may be used to satisfy both areas.

- Area D 9 units

Complete 3 units from GE Area E: Lifelong Learning & Self Development (see note below)

- Areas E1/E2 (Note: maximum of 1 unit from E2) 3 units

UNIVERSITY TRANSFER OPTIONS 2 AND 3: INTER-SEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM CERTIFICATION (IGETC) - CERTIFICATE OF ACHIEVEMENT

The Certificate of Achievement in Inter-segmental General Education Transfer Curriculum (IGETC), will be awarded upon completion of the IGETC requirements as outlined on the catalog year's IGETC sheet. Students must complete 34-37 units, which are distributed among six areas. IGETC requirements are designed to be taken with a major area of concentration and elective courses in preparation for transfer to a California State University or a University of California campus. This certificate recognizes the completion of lower division general education requirements for IGETC. For many majors, students are encouraged to complete the IGETC pattern; however, it is not required for admission to the CSU or UC. An official petition must be filed with the Admission and Records Office prior to the graduation deadlines as stated in the Academic Calendar. Certification of the IGETC will be indicated on the student's transcript. (Refer to IGETC pages in this catalog.)

FOR MORE INFORMATION CONTACT: Counseling Division at 650.306.3245

UNIVERSITY TRANSFER OPTION 2: INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM CERTIFICATION FOR CSU (IGETC/CSU) - CERTIFICATE OF ACHIEVEMENT

Complete 37 units of coursework to meet the IGETC/CSU Certification requirements as listed below.

All courses MUST be completed with a grade of "C" or higher.

Complete 9 units in Area 1: English Communication

- Area 1A: English Composition 3 units
- Area 1B: Critical Thinking - English Composition 3 units
- Area 1C: Oral Communication 3 units

Complete 3 units in Area 2: Mathematical Concepts and Quantitative Reasoning.

- Area 2 3 units

Complete 9 units in Area 3: Arts and Humanities.

At least one course must be selected from Arts and one course from Humanities. The third course can be selected from either Arts or Humanities.

- Area 3A: Arts 3 units
- Area 3B: Humanities 3 units
- Area 3A or 3 B 3 units

Complete 9 units in Area 4: Social and Behavioral Sciences.

Three courses selected from at least 2 disciplines or an interdisciplinary sequence

- Area 4 9 units

Complete 7 units in Area 5: Physical and Biological Sciences.

At least one course must include a laboratory component.

- Area 5A: Physical Science 3-4 units
- Area 5B: Biological Science 3-4 units

UNIVERSITY TRANSFER OPTION 3: INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM CERTIFICATION FOR UC (IGETC/UC)

Complete 34 - 39 units of coursework to meet the IGETC/UC Certification requirements as listed below.

All courses MUST be completed with a grade of "C" or higher.

Complete 6 units in Area 1: English Communication

- Area 1A: English Composition 3 units
- Area 1B: Critical Thinking - English Composition 3 units

Complete 3 units in Area 2: Mathematical Concepts and Quantitative Reasoning.

- Area 2 3 units

Complete 9 units in Area 3: Arts and Humanities.

At least one course must be selected from Arts and one course from Humanities. The third course can be selected from either Arts or Humanities.

- Area 3A: Arts 3 units
- Area 3B: Humanities 3 units
- Area 3A or 3 B 3 units

Complete 9 units in Area 4: Social and Behavioral Sciences.

Three courses selected from at least 2 disciplines or an interdisciplinary sequence

Area 4 9 units

Complete 7 units in Area 5: Physical and Biological Sciences.

At least one course must include a laboratory component.

Area 5A: Physical Science 3-4 units

Area 5B: Biological Science 3-4 units

Language other than English - Area 6:

Proficiency equivalent to two years of high school study in the same language.
