

Fall SLOAC Day – Friday, August 15, 2008

Due to the popularity of our March SLOAC Day, as well as accreditation needs, we are being given a full day with our colleagues to pursue teaching excellence. Bring your unfinished SLOs, your assessment data, your questions about reflection, and together we can determine specific ways that you and your students can benefit from this process.

Adjunct faculty will be paid for their time (at the Special Rate). FT faculty contracts include pay for these FLEX Days. Plus, the Introduction is a **Don't Miss Event** that will be talked about for days! Don't be late!

- 4) surveys completed on usefulness of this SLOAC Day

Each group can decide where they want to meet. Roving assistance is available by cell phone. SLOAC Forms 1, 2, and 3 (new versions from the new SLOAC site) should be completed and returned via email to your Dean and to canslo@smccd.edu for collation. These documents need to be sent in today (Aug 15) or, at the latest, by Friday, Aug 22.

Documentation is a critical part of the accreditation process.
