40 Years of Students Serving Students

Our vision is to be recognized as one of the most respected and elite student governments in the California Community College System.

A Tradition of Leadership

About the ASCC

The Associated Students of Cañada has been serving Cañada College students since 1968.

As Cañada's first student organization, ASCC serves as the official voice of the student body at the local and national level. Members of the ASCC represent students on college and district wide committees and lobby state and federal representatives.

The ASCC plans such events as the Welcome Back BBQ, Halloween Contest, Spring Fling, and Club Day for the Cañada community to enjoy.

In addition to hosting events the ASCC provides funding for many on campus activities. Including: the Health Fair, Career Fair, Transfer Reception, guest speakers, Black History month activities, and various club activities.

ASCC members also complete community service activities.
