

# TRiO

## Student Support Services

We are a nation-wide program dedicated to creating viable opportunities for students to realize their academic potential. We aim to provide equitable access for underrepresented students to higher education.

### Are you...

A U.S. citizen or permanent resident and ONE of the following:

- 1<sup>st</sup> generation college student?
- Low-income?
- Physically/Learning Disabled?

### Free Services...

- Tutoring with dedicated academic coaches
- Academic counseling
- Career planning
- Transfer assistance
- Mentoring

### Program Benefits...

*You will have an opportunity to -*

- Participate in workshops about study skills and student success!
- Visit local 4-year universities and receive transfer support!
- Learn more about available scholarships!
- See if you qualify for emergency Grant Aid!
- Participate in cultural enrichment activities!
- Become part of a community of learners!

To learn more about our program, we welcome you to visit us in the Learning Center on the second floor of Building 9.
