UNIVERSITY CENTER EVENING WORKSHOP SERIES

The University Center is pleased to offer a workshop entitled Undergraduate Study Skills. This workshop is designed for all undergraduate students who are enrolled in a bachelor’s program and are interested in undergraduate study techniques to increase student success.

The Undergraduate Study Skills Workshop is designed to help students develop and refine the study and time management skills necessary for academic success. The workshop will cover time management, study habits, and test-taking strategies.

Please address any questions regarding the workshop to Patricia Sehl at sehlp@smccd.edu prior to workshop attendance or call the University Center at 650-306-3177.
