UNIVERSITY CENTER EVENING WORKSHOP SERIES

The University Center is pleased to offer a workshop miniseries entitled Undergraduate Writing. This workshop is designed for all undergraduate students who are enrolled in a bachelor’s program and are beginning undergraduate writing projects.

The Undergraduate Writing Workshop will cover a range of topics aimed at improving students’ college level writing. From brainstorming, outlining, and drafting to citations, grammar, and critical analysis the workshop will be a comprehensive, but not exhaustive, presentation which will provide students with the tools to make their writing better.

To better prepare your workshop leader, please send writing samples to Jason Jimenez at jimenezj@smccd.edu prior to workshop attendance or contact the University Center at 650-306-3177.
