Other Information

23. Please use this text box to provide any comments regarding the data submitted in this report (optional, no limit).

For Q21a and Q21b, the 2017 data is based on the number of programs with unique set of program learning outcomes. For example, accounting and business have the same program learning outcomes. In the 2017 reporting year, the programs are counted as one program, but in 2015 and 2016 reporting years, they were counted as two programs.

The data included in this report are certified as a complete and accurate representation of the reporting institution.

If you need additional assistance, please contact the commission.

Sincerely,

ACCJC
