## Business Administration 2.0

### Associate in Science for Transfer

The AS-T major in Business Administration 2.0 prepares students for transfer into bachelor's degree programs in Business Administration and similar fields. Courses offered are transferable as lower-division coursework toward a bachelor's degree in Business Administration. Students are required to have a grade of "C" or better in each course in the major to apply these courses to the AS-T degree. The AS-T degree also requires the completion of 60 transfer semester units, a minimum overall grade point average of 2.0, and completion of the CSU GE-breadth or IGETC.

### Program Learning Outcomes

1

Design and manage business documents using current technology to engage in creative problem solving.

2

Communicate an understanding of business concepts professionally through written, oral and visual presentations using current technology.

3

Recognize ethical behavior in their chosen profession and behave in a socially responsible manner.

4

Analyze business issues, interpret financial data and identify economic trends.

## Salary, Growth and Careers

### Salary
