Want more data?

Get comprehensive information and data about Silicon Valley's economic and community health at www.SiliconValleyIndicators.org.

Data and charts from the Silicon Valley Index (and more) are available on a dynamic and interactive website that allows users to further explore Silicon Valley trends.

The site is maintained and constantly updated by Joint Venture's Silicon Valley Institute for Regional Studies, and is a robust collection of charts and information with links to local, regional, and national data sources, as well as additional related online resources within the following categories: People, Economy, Society, Place, and Governance. There are also metrics presented through an equity lens.

Subscribe to our mailing list

Join thousands of people who receive insights from the Institute highlighting current issues, plus updates on events in Silicon Valley.

DOWNLOAD THE 2025 SILICON VALLEY INDEX

Thank you for your interest in the *2025 Silicon Valley Index*! Joint Venture Silicon Valley has been telling the Silicon Valley story for over two decades. Updated annually, it is a comprehensive report of indicators that measure the strength of our economy and the health of our community, highlighting challenges and providing an analytical foundation for leadership and decision making. The report is a treasure trove of data that paints a holistic picture of life in Silicon Valley.

A dynamic and **interactive website** allows users to download data and charts from the report to help drive business, policy, and other critical decisions for the region.

We are happy to provide the Index as a free resource to the community.
