## Lyft Rides

### Lyft Rides for Cañada Students\*

**Important Update:**

Due to budget constraints, the **Lyft Program will not resume in Fall 2025**. We hope this pilot program was helpful to those who actively used the service.

Cañada College offers current Cañada students transportation assistance to/from Cañada. This program is intended to help address transportation needs by providing on-demand rides for Cañada students. The program is made possible through a partnership between Cañada and the Lyft ridesharing app.

Please note: The Lyft program is offered dependent on funding availability and subject to change. Students will be notified of changes in the program should they arise.
