DUAL ENROLLMENT

Cañada College **Dual Enrollment program** allows you to enroll in college courses while you are still in high school — **for FREE**!

OVERVIEW

Cañada College Dual Enrollment

The Dual Enrollment Program, also known as College and Career Access Pathways (CCAP), is a partnership between Cañada College and our local high school partners to increase the accessibility of college courses to underrepresented high school students or students who may not be college bound. We aim to provide equitable opportunities for students to develop a college-going mindset and pathway to graduate with a certificate/associate degree, transfer, or join the workforce.

About the Dual Enrollment Program

Through Cañada dual enrollment program, high school students attend classes at Cañada for free, while still enrolled in high school. Dual enrollment classes count for both high school and college credit. High school students who complete dual enrollment classes generally take fewer classes in college and save money on total college costs.

Why should you participate?

> Start college early at Cañada College!
> Explore career areas.
> Choose classes in general education or in hands-on career training.
> Transfer college credits to CSU, UC, private, and out-of-state universities.
> Enroll in classes each semester and never pay tuition as a high school student!

Dual enrollment courses are currently available to students at Sequoia Union High School District, San Mateo Union High School District, and La Honda Pescadero Unified School District. Connect with your high school counselor about enrolling in one of the courses below.
