#### Types of Program

##### AA and AS Degrees

The Associate in Arts Degree (AA) and the Associate in Science Degree (AS) are designed for students who want a two-year degree or plan to transfer to another college or university and work towards a bachelor's degree.

##### AA-T and AS-T Degrees

The Associate in Arts Degree for Transfer (AA-T) and the Associate in Science Degree for Transfer (AS-T) both provide a pathway to the California State University (CSU). Students awarded an AA-T or AS-T degree are guaranteed admission with Junior standing in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.
