

# Course Enrollment and Modalities Fall 2024

Present to IPC  
From the Office of Instruction  
September 6, 2024

# EMP 1.3 Create a student-first course schedule

# EMP 4.12 Offer key courses in multiple modalities

A student-first course schedule is the outcome of a thoughtful and collaborative process that prioritizes student success, minimizes disruptions, aligns programs, and balances faculty workload.

## Student-first Scheduling and Modalities:

- Offering diverse course modalities, including face-to-face, hybrid, asynchronous online, synchronous online, and multi-modalities, to cater to various learning preferences.
- Considering the day of the week, time of day, and location to accommodate student needs and preferences.
- We ensure course schedules are aligned to minimize conflicts, enabling students to plan and complete their educational goals efficiently.

ACCJC Standard 2.5: The institution holds itself accountable for students' success by scheduling courses in a manner that ensures degree and certificate programs can be completed in the expected period of time.

ACCJC Standard 2.6: The institution uses delivery modes and teaching methodologies that meet student and curricular needs and promote equitable student learning and achievement.
