

Hello,

I hope your semester is going well. You are receiving this email because our records indicate that you have not updated your **Student Education Plan (SEP)**. Now that we are approaching mid-semester, it would be a good time for you to meet with your counselor to update your SEP and plan for Spring 2026 course schedule. Registration for Spring 2026 opens the second week of November. Please check your [WebSmart](#) to check your registration date.

How to make an appointment with a Counselor: The **Welcome Center** is here to help you! To **schedule an appointment** with a counselor, please call [\(650\) 306-3452](tel:(650)306-3452) or send an email at: canadawelcomecenter@smccd.edu or you can make an appointment through your [SSL student portal \(Link\)](#).

You can also schedule an appointment with **Danny Lynch**, who is the Science and Health Interest Area counselor. Here is the [Calendly link](#).

Please email me if you have any follow up questions or concerns.

Warm regards,

Jackie Gonzalez
