Welcome Amazing Students!

Welcome students to the Science and Health learning community. We are so excited that you have selected Science and Health as your area of study. The Science and Health support team is looking forward to connecting with all of you to be of support in any way that we can. In this course you will find a wealth of information and resources that will help you succeed in your studies and beyond. We are here for you and we want you to reach out to us if you have any questions.
