Cañada College's Brave Space Commitment:

At Cañada College, we actively advocate for the emotional, physical, and intellectual safety of all LGBTQIA+ (lesbian, gay, bisexual, transgender, queer, questioning intersex, asexual, a-romantic, ally, pansexual, and two-spirit) members of this campus community. We are all members of this college familia. Cañada College's Brave Space colegas are committed to promoting an inviting and inclusive campus environment and provides ongoing training for a network of allies and accomplices, including students, faculty, staff, and administrators, so we may all better support our LGBTQIA+ community.

Cañada College's Brave Space Goals:

- Establish a campus-wide network of visible allies that provide support, assistance, and information to the LGBTQIA+ community
- Ensure an environment on campus that supports the academic, personal, social, and professional success of the LGBTQIA+ community
- Providing training, events, and professional development opportunities that help create and maintain a safe, supportive, and non-discriminatory environment and ways to respond effectively to the needs and concerns of the LGBTQIA+ community

If You're Experiencing Discrimination:

- Our college and school district is committed to supporting our LGBTQIA2SP+ community, and we are aware of the high rates of discrimination, harassment and violence the community faces.
