## The Disability Resource Center (DRC)

### Welcome

The mission of the **Disability Resource Center (DRC)** at **Cañada College** is to facilitate academic success for students with disabilities, limitations and/or learning challenges by providing support services & equal access to all educational programs and activities on campus so they may achieve their full potential. Those students with physical, visual, hearing, speech, mental health, learning and intellectual disabilities as well as other health conditions, acquired brain injuries, autism, and ADHD are served.

In this effort, we offer an array of services to support our students' success in their classes and other campus programs and activities. As part of our commitment to providing a supportive and inclusive learning environment, the DRC team is dedicated to ensuring that each students' specific needs are met. Students individually qualify for accommodations and services based on disability verification and an interactive process of discussion with a DRC Counselor or Learning Disabilities Specialist. DRC Services include, but are not limited to:

- Assistive technology equipment and training
- Sign language interpreters, Braille format
- Testing accommodations
- Priority registration, pre-registration advising
- Note-taking assistance
- Adaptive technology and software
- Real-time captioning services
- Individualized tutoring
- Specialized academic counseling
- Disability management/accommodations counseling
- On and off-campus referrals to other services or agencies
- Learning disability assessment
