Honors Courses Offered this Semester

Fall 2025 Honors Courses

Everyone is welcome to take Honors Courses whether you are in the **Honors Transfer Program** or not.

Honors courses are offered every semester. Some Honors courses are filled with Honors students only. However, most Honors courses meet within traditional courses where the Honors students use different syllabi and may have different assignments.

Note to Honors Transfer Program (HTP) students: Starting in the fall 2024, new **HTP Students** are required to take English 110 Honors to complete the program. Starting in fall 2025, new **HTP Students** are also required to take IDST 150 Honors Research Seminar; however, it can be taken in any semester and is only 1 unit. Some exceptions apply to both requirements.
