Dear Professor Lee,

Just a quick note to let you know that I will be supporting Sociology on behalf of the PRIE Office this year with respect to your data and research needs for your comprehensive program review.

Your data packets (and dashboards) for comprehensive program review can be found online [here](#). The packets can also be accessed via these links:

- [Course Enrollment Data](#)
- [Data for Comprehensive PR Questionnaire](#)
- [Program of Study Report](#)
- [Degrees & Certificates Awarded Report](#)
- [Labor Market Report](#)

Please let me know when the best time might be to meet to go over the data and any remaining questions.

Thank you!
