OVERVIEW

A Degree Program That Works With Your Schedule

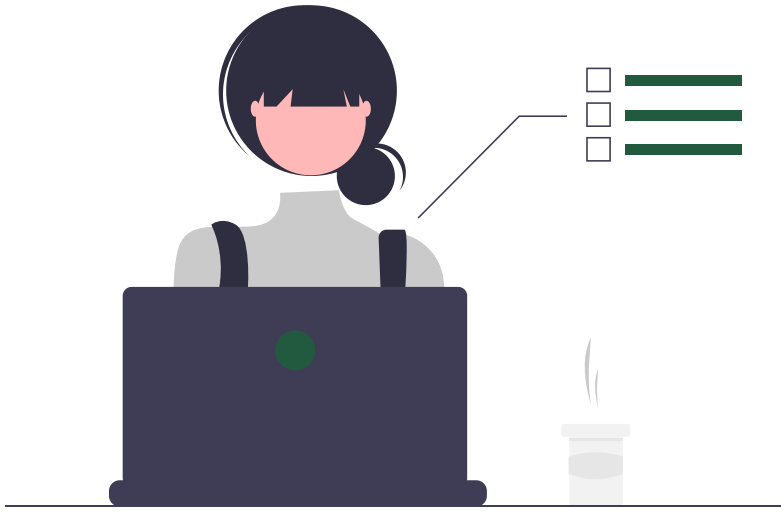

Balancing work, family and college can be challenging. NOW (Nights, Online & Weekends), formerly CWA is built to support students who take classes in the evenings and online. Whether you're working full-time, supporting your family, or just need flexible options, NOW helps you complete your degree with the resources and community you need.

FAQ

Perks for Joining the NOW Program!

NOW is the only program of its kind in the Bay Area that makes it possible for working adults to complete multiple Associate Degrees in just three years without having to adjust their work schedule.

Flexible Course Scheduling

Evening, weekend and online courses that fit your life.

No Minimum Course Hours Required

Take as few as one class or as many as four classes per semester.

CSU/UC Transferable Courses

All 60 units are fully transferable, complete your first 2 years and transfer to a 4-year institution. Degree maps and transfer templates to keep you on track.

Built-In Support

Access to embedded tutoring, counseling, and workshops tailored to evening students..

Dedicated Academic Counselor

Build a specialized education plan that is focused on your individual goals.

Community for Adult Learners

Become a part of a learning community, start and complete your goals with the same cohort of students. Join a program where faculty and staff understand your schedule and your goals.
