

Professional Development Needs Assessment Results

Summarized by the
Office of Planning, Research & Institutional Effectiveness on behalf of the Professional
Development Planning Committee

Presented at Flex Day, April 20, 2023

Three, distinct surveys were administered in March-April, 2023 to assess the professional development needs of the following college constituents:

- Classified Staff
- Faculty
- Administrators

The results of these surveys will be considered by the College Professional Development Planning Committee in developing a new, college-wide professional development plan for 2023-26. For more information about that planning process see:

CLASSIFIED PROFESSIONAL DEVELOPMENT NEEDS SUMMARY

Survey Administered March 2023

Response Rate

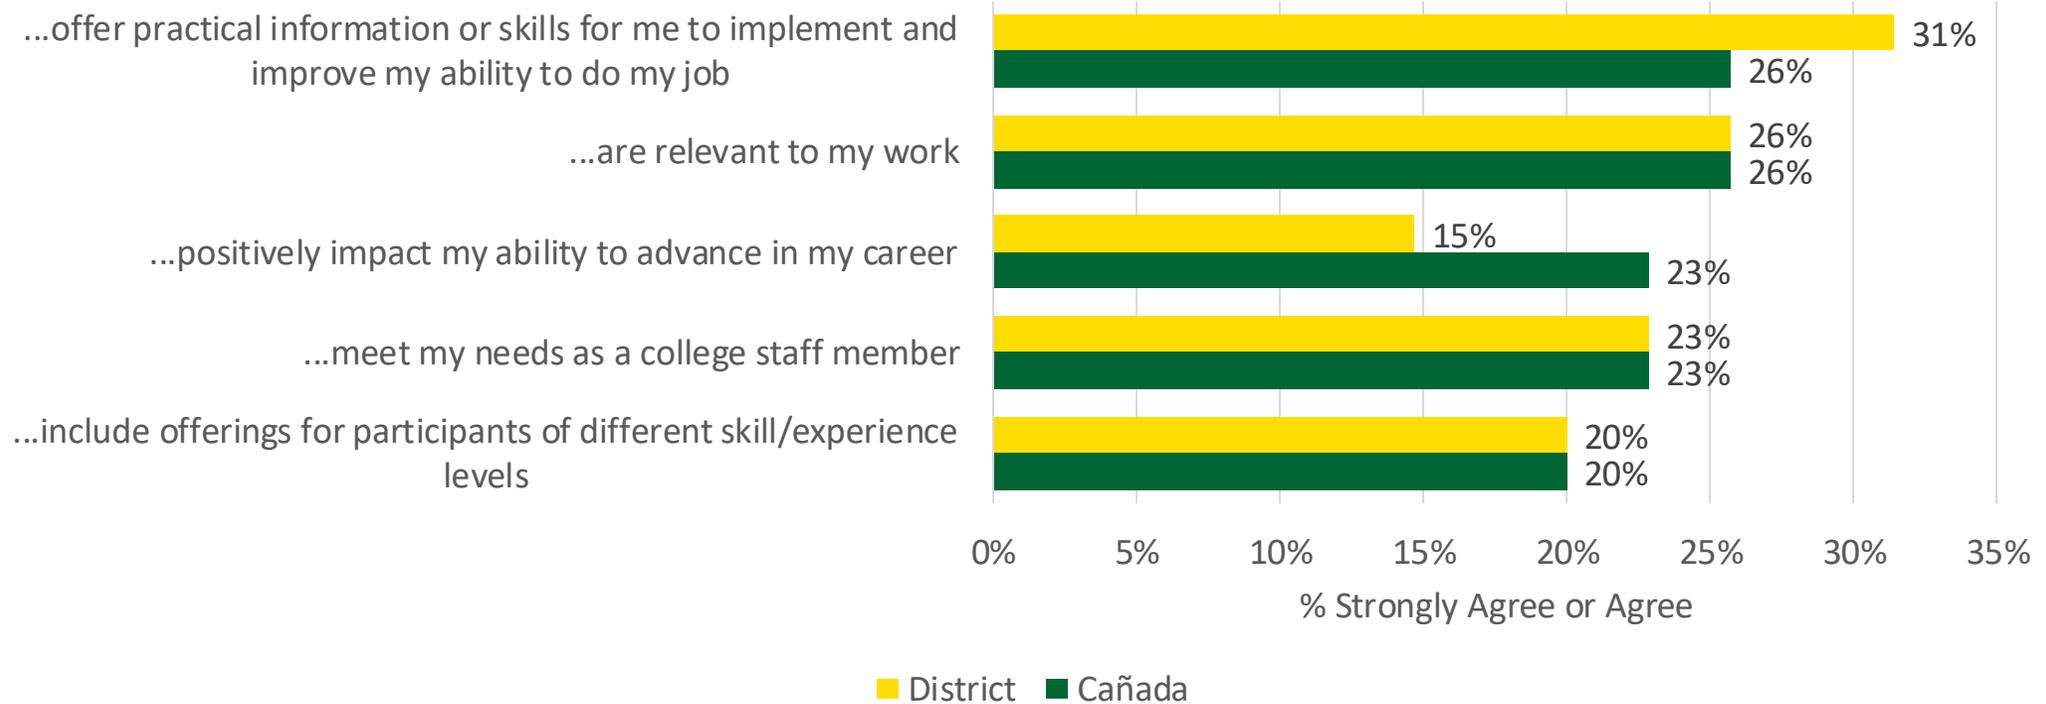

- 43 out of 126 staff responded
 - 34% Response rate
- Response by Time with SMCCD:
 - 0-2 Years: 7%
 - 3-5 Years: 14%
 - 6-10 Years: 14%
 - 11-20 Years: 23%
 - 21+Years: 7%
 - No response: 35%

The District's IDEAL program has very low awareness and the new employee orientation and College Flex day have low satisfaction

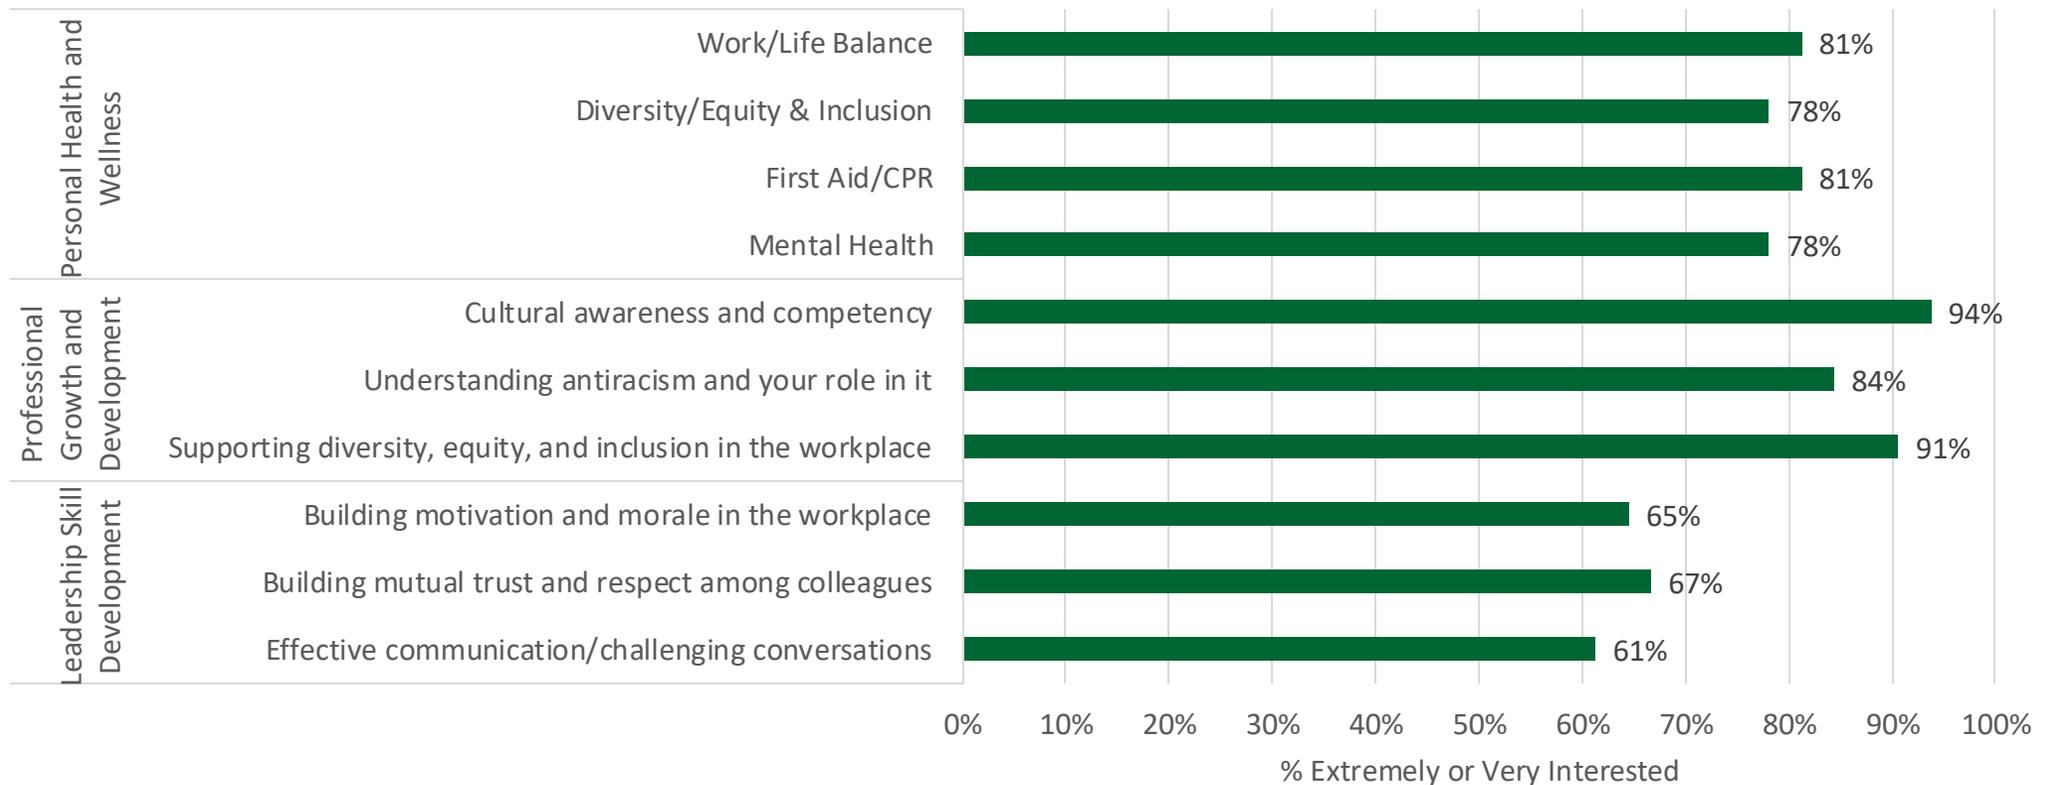

Most staff do not find value in either the district or Cañada's current professional development opportunities

PD Opportunities...

The personal growth and development category was generally of more interest than others – especially leadership skill development

Delivery Modality Preference

#1 Hands-on workshops (where I get to practice what I learn)

#2 In-person presentation followed by discussion

#3 Attending Conferences

#4 Web-based classes (asynchronous)

#5 *Brown Bag lunches*

Take Away

- 86% of respondents were able to engage in at least 1 hour of PD in the past year
 - 31% engaged in 11 or more hours
 - Classified PD has low satisfaction with current options
 - Perception of PD for classified being an afterthought
 - Providing PD across multiple times provides more flexibility for student facing and short staffed departments
- “Because we each have unique jobs and skill sets, a one size fits all solution for PD is unlikely”

What can be improved?

- Need to improve awareness of PD funds
- Need to minimize the paperwork to apply for PD funds
- Provide more recordings of sessions/asynchronous classes
- Vary the days trainings/sessions are offered
- More support on specific issues: working with students with disabilities, accessing technology,
- More time for collaboration on similar classroom issues/pedagogy/andragogy (less time on compliance)
- Participation in equity and antiracism PD is voluntary/optional and, as such, participation is uneven – make it required?

Open responses

- Managing the pressures of the job
- Managing difficult people
- When work demands feel like they do not leave any time for professional development
- Desire for mentoring/support
- Better collaboration with Human Resources (District)
- Need to systematize "regular" college operationalize processes semester to semester and year to year. Develop "learning opportunities" aligned with emerging or new technologies or software the district is adopting. For example, we currently have people using various platforms to share documents--Sharepoint, OneDrive, Drop Box, and Google Drive. Is there one that we all should use?
