FILE a CARES Report

If you are concerned about a student on campus or in the classroom, you should report it to the Cañada CARES Team. Reminder: If it is an EMERGENCY, call 9-1-1.

Please contact the CARES Team in the following situations:

- Personal safety is a concern
- A student's behavior indicates acute personal distress
- There is a pattern of disruptive or disturbing behavior

There are two processes which can be used to make reports about students.

1. There are several locations on campus where you can report concerns you have about distressed behaviors of your fellow students. These offices include:

Public Safety

Building 22

Counseling Services

Building 9, First Floor

[650-306-3452](#)

Vice President, Student Services

Building 8, Room 209

[650-306-3234](#)

2. There is an on-line report system where you can report students with distressed behaviors.
