Business

Are you an entrepreneur eager to start your own business? Do you want to be part of a business that is changing the world? Are you ready to expand your skills in the legal arena? Do you want to use economics to solve social or environmental issues? Courses in these programs will prepare you for positions in administration, marketing, accounting, and management within large and small businesses, as well as help in starting your own business. Many of the courses are credited for transfer to CSUs and UCs. Certificate programs lead directly to careers in administration and law. Courses are offered day and evening hours, as well as online and in accelerated pathways.
