Accreditation

Program Accredited by ABFSE: Associate of Science - Funeral Service Education

Initial Accreditation 2002/Last comprehensive review 2021/Next comprehensive review 2028.

Re-accreditation: April 2015 for seven (7) years with Focus Visit to review compliance with Standard 6 (recordkeeping) and Standard 11 (aims and objectives assessment).

Most Recent Accreditation decision:

-October 2018 - approved Focus Visit report confirming Standard 6 and Standard 11 compliance.

-April 2022 - 'Probation' status; current accreditation continued while probation concerns are addressed. Probation status requires the following issues to be addressed by March 1, 2023:

- Provide evidence that program records are effectively maintained including appropriate institutional oversight policies to ensure maintenance and continuity in the event of personnel changes.
- Ensure consistent documentation and record-keeping for mandatory evaluation of student competencies in embalming and funeral directing.
- Update agreements for use of off-campus instructional sites.
- Provide evidence that a documented assessment plan is in place to measure program effectiveness and to implement necessary improvements.
- Provide evidence that all deficiencies cited in the prior comprehensive review and site visit have been addressed.

In addition, the program must assure that the program website and publicly distributed materials have a uniform message including the proper accreditation statement.

-December 2022 - Completed in person site visit as follow-up to December 2021 virtual visit.

-April 2023 - Probation status resolved. Returned to 'Good Standing'. Focus visit will be scheduled when the program completes the anticipated move into new facilities.
