On Wednesday, July 23rd at 6pm Dr. Valarie Rose and Gina Hooper invite you to an informational session where we'll explore the pathways into American River College's Associate in Science Degree in Funeral Service Education.

We'll walk through the application process, answer your questions, and start the conversation on how to make this journey achievable—no matter where you're starting from. Whether you're just exploring the idea or ready to take the next step, this session is for you.

American River College welcomes student transfers from Cañada College and currently supports students all across California—including Los Angeles County, Orange County, and Kern County—who are now completing their first semester of the program.

This path *is* possible. Your goals *are* within reach.

If you have questions before the meeting or would like personalized guidance, schedule a time with me at calendly.com/canadafse.

Wishing you all a fantastic summer—let's make your future in funeral service a reality.

Gina Hooper is inviting you to a scheduled Zoom meeting.
