Welcome/Introduction	Meeting started at 1:06PM
SEAP https://docs.google.com/spreadsheets/d/11ouq4pgOP_3W7tmNo8b0VCOskQ3WYPpYmEXFA65_D6s/edit?usp=sharing	• Michiko presented the SEAP Plan, showcasing areas that had been updated from the previous PBC meeting. • A member asked for Admin to be more present in the Metrics • A member asked if the Metric on Black Excellence was the same as the Graduation ceremony celebrating Black Excellence. Additionally, a member wanted to note that it seems that people are opting out of graduation, so its not positive numbers. • Another member mentioned including data that make it about closing gaps and not just a showing of a person or group as a monolith. • There's concern that there's not a lot about faculty and Admin. • Concern was stated about faculty coordination of classroom visits, not

	retention specialists. • A member mentioned that this report is very Classified heavy, and very Student Services folx heavy. The concern is that the 2 groups most able to affect change for the student grades/retention/achievement are not called out in the plan: Faculty and Students. • More student voice needs to happen in this plan and in the actions that are involved at meeting the Metrics. • Another member mentioned that basic support classes are no longer offered at the college and more students are opting out of basic classes (Math and English) because they aren't confident.
Student Senate Request for Support & Student Concerns	All voted in favor of sending a delegate to the ASCC Ad Hoc committee for an Oversight Committee. A call for a member to support this committee will be sent out via email soon.
Committee Membership	• Equal Employment Opportunity Advisory Committee - Rosie Morrison and Roz Young • District Budget and Finance Committee - Rosie Morrison and Jacky Ip • EAPC Tri-Chair - Chris Wardell • Program Review Subcommittee - Alex Claxton All voted to approve these committees, since they are not participatory governance and instead senate delegated.
Flex Day Follow Up	• Members were concerned that this appeared to be the smallest attendance of a Flex Day. • Concern was raised that people missed out on the messages and movement to support Undocumented Students on campus. • A member mentioned that there were

	a lot of food issues. Somehow even though we had so few people at Flex they removed the food quickly and people didn't have lunch or drinks. ● A few members mentioned again that they had stomach aches resulting in the breakfast and lunch.
Upcoming Classified Senate Events	● Please encourage your team/supervisor/Dean/VP etc... to put together a Holiday basket for donation towards the Classified Senate Student Scholarship. I am planning to pick up baskets during the first week of November. Then you can purchase raffle tickets for your favorite basket. All proceeds will go towards the Classified Senate Student Scholarship. Thank you everyone!!! Please reach out to me with any questions or concerns ledesmar@smccd.edu
The Good of the Order	● There's a lot going on out there right now, let's be there for each other. ● Concern was made that the AFT negotiations are not sounding like they're going well. ● Remember, the Opportunity Drawing goes up every time our members are chosen and they aren't in-person or on zoom. Lesly Ta was chosen this time and so the amount goes up at the next Classified Senate meeting.
Adjourn	Meeting ended at 2:15PM.
