Cañada College has expanded its current College for Working Adults program to allow students with credits from an accredited institution to transfer into one of our current cohorts. **You may be able to graduate in as little as two semesters!** Here are our program highlights:

- ❖ Classes held on Thursday evening and two Saturdays per month. Online classes also available.
- ❖ Students will receive priority enrollment in all College for Working Adult classes.

CWA Classes are Guaranteed. NO WAITLISTS...EVER!

- ❖ Students follow a [predetermined set of classes](#), eliminating guesswork about degree and transfer requirements.
- ❖ Now CWA students can earn one or more of the following four degrees:
 1. AA-T Psychology
 2. AA-T Sociology
 3. AA-T Social Work and Human Services
 4. AA Interdisciplinary Studies: Social and Behavioral Sciences
 5. AA Interdisciplinary Studies: Arts & Humanities
 6. AA Economics (for those seeking a 4-year degree in Business)
- ❖ The 60+ credits earned in this program fulfill all general education and transfer requirements for most public or private colleges and universities.
- ❖ Students join a "learning community". They will start and complete the program with other CWA students. This provides students an opportunity to build relationships and learn together inside and outside of the classroom.
- ❖ Students receive one-on-one academic advising/counseling from our designated CWA counselor to ensure they get started on the right track and stay on track throughout the program.
- ❖ Students receive one-on-one specialized tutoring from our own CWA Instructional Aides who are familiar with our CWA curriculum.

To enroll in the College for Working Adults program, go to our website at www.Cañadacollege.edu/CWA and sign up to attend one of our Information Forums, then click the APPLY tab and complete the online application.
