# Tech Tools for Learning: Free to SMCCCD Students

Are you having difficulty taking notes on Zoom? Do you find reading or writing online a challenge? There's an app for that!

All students at District colleges have access to tech tools that support learning online.

Tech for Reading:

- NaturalReader text-to-speech

Tech for Writing:

- Dictation software
- Mind mapping

Tech for Note Taking:

- Glean by Sonocent — record lectures, then take notes online
- Otter for Education — create transcripts

Ready to get started?

- Fill out this request form: tinyurl.com/SkylineEdTech
- Visit tinyurl.com/skylineAT to learn more about tech tools for academic success.

Skyline COLLEGE

The EAC EdTech Program is supported by the Skyline College President's Innovation Fund.
