This application will waive your enrollment fees only. All fees are due and payable at the time of registration. You may still owe additional fees that must be paid IN FULL to avoid being dropped from your classes or having a hold placed on your student records. Check your Account Summary by Term on WebSMART to verify that the BOG fee waiver has been applied on your account. Additional financial assistance is available to eligible students. To see if you qualify for more financial aid which may include grants, work study or federal student’s loans, please, complete a Free Application for Federal Student Aid (FAFSA). Complete the online application at FAFSA.ED.GOV or stop by the Financial Aid Office for assistance. For AB540 students ineligible to file the FAFSA, please consider applying for other State assistance through the California Dream Act Application at www.caldreamact.org.
