#### Honors Contracts

Honors Contracts allow students to earn Honors credit while enrolled in a non-honors transferable course. Essentially, they turn a non-honors course into an Honors Course.

Learn more about the process of doing an Honors Contract here: <https://cañadacollege.edu/honorsprogram/contract-seniorize.php>

Click here for a list of faculty willing to consider doing Honors Contracts. Remember to approach your potential Honors Contract professor as early as possible in the semester or prior semester. Be organized and show that you are motivated and serious about the work.
