8. **New Business:**

8.1. **EEOC participation:**
State Academic Senate has recommended the adoption of an EEO Plan. There was also discussion on this topic at a breakout session in the State Academic Senate Plenary. The following documents were distributed: “Knowing about the Model Equal Employment Opportunity Plan is a Good Start” (an article from the Senate Rostrum, May 2007), a memo from the CCC System Office, dated April 2007, which reminds districts that an EEO Plan must be adopted (Title V, 53003). It was noted that the adoption of an EEO plan would allow us to address issues of diversity and equity from an academic, research-based point of view. From our campus, David Clay, Regina Blok and Julie Mooney are on the District EEOC.

8.2. **Trust Committee for Faculty Evaluation:**
Lisa Bjerknes (PT) and Ron Trugman have volunteered.

8.3. **District Strategic Planning:**
A district-wide committee meets once a month. The Academic Senate presidents from each campus are members of this committee.

8.4. **Report from Spring Plenary:**

M. Partlan, D. Clay and M. Malamud attended.

9. **Matters of Council Interest:**
