<th>IV. Request for Increase in Assignment</th>

| Professor Erickson currently has a 67% contract and the Art faculty and the Division Dean believe that our College has the demand in Art History to increase her teaching load to 100%. Art History has one of the strongest Loads in the Humanities Division. Intention to increase load would be done in three ways (phase-in):  
  - Convert Art 680 classes to 2-unit classes  
  - Add another 8-week section of Art 680  
  - Add Art 104 (History of Modern Art) to the regular schedule  
Recommended by Planning & Budget Committee that we move forward in increasing contract from 67% to 100 % as phase in. Motion made and seconded to move forward in filling the CBET Coordinator position. All agreed by consensus. |
