| goals in our Strategic Plan | Legislative Analyst Office (LAO) puts the two year total at $27.8.  
- The Governor’s proposal is looking at 2.5 billion in mid-year cuts (2008-2009), $700 million in reductions in 2009/10, and providing districts with the flexibility to redirect categorical funds as needed to absorb the cuts in general purpose apportionments.  
- The Legislative Analyst Office (LAO) recommendation send to Legislature are eliminate the 0.68 percent COLA for 2008/09 for an estimated savings of $40 million, increase the credit fee from $20 to $26 per unit effective January 1, 2009 for estimated savings of $160 million, reduce funding for “certain credit-bearing physical education courses and to additional “enrichment courses” to the regular noncredit rate for a savings of $260 million.  The total of these three recommendations come to a total of $460 million.  
- Cañada’s Total Fund 1 Budget is $13,067,570. Note that 97% of our Fund 1 is in salaries. We have been asked to come up with four budget reduction scenarios which are 3% equaling a cut of $392,027, 5% equaling a cut of $653,379, 7% equaling a cut of $914,730, and 10% equaling a cut of $1,306,757.  
- Suggestions for developing a shared set of principles and strategies for budget reductions for our College is to focus on our mission and values, differentiate the crucial from what’s important, actively encourage open dialog, and do not lose sight of the future.  
- Reviewed the College Core Values, Mission statement, and eleven Strategic Planning goals.  
- A group exercise was conducted asking those present to select the three goals they felt were most crucial to achieving the College’s mission. Voting went as follows:  
  1. Base all curricular and programming decisions on data-driven strategies.  
     *Received 18 votes*
  2. Develop new programs and strengthen existing programs to meet our community and business needs.  
     *Received 1 vote*
  3. Develop programs and recruit students that respond directly to the current and projected demographic and economic trends in the College’s Service Area.  
     *Received 6 votes*
  4. Improve success, retention, and persistence of students who are in basic skills classes, including English as a Second Language.  
     *Received 31 votes*
  5. Improve the persistence and transfer rate of students enrolled in transferable courses.  
     *Received 18 votes*
  6. In dialog with business and industry, support and strengthen existing workforce programs. Through research and sustained interaction with the business community, pursue new programs and courses which reflect the dynamic occupational and specific needs of the Bay Area economy.  
     *Received 14 votes*
  7. Increase entrepreneurial actions across the College by seeking new revenue sources.  

| Research, and Student Success |  |  |
8. Develop and strengthen external collaborative relationships and partnerships.  
Received 6 votes
9. Build an educational environment that fosters a passion for education, and the leadership and the personal skills necessary for civic engagement/participation.  
Received 1 vote
10. Provide new and expanded opportunities for faculty and staff development which support an atmosphere of excellence in academics and student support services.  
Received 2 votes
11. Improve number of certificate and degree awards.  
Received 3 votes

Strategic Planning Goals that received the most votes were:

Goal 4) Improve success, retention, and persistence of students who are in basic skills classes, including English as a Second Language.  Received 31 votes
Goal 1) Base all curricular and programming decisions on data-driven strategies.  Received 18 votes
Goal 5) Improve the persistence and transfer rate of students enrolled in transferable courses.  Received 18 votes
Goal 6) In dialog with business and industry, support and strengthen existing workforce programs. Through research and sustained interaction with the business community, pursue new programs and courses which reflect the dynamic occupational and specific needs of the Bay Area economy. - received the next highest vote number with 14 votes.

After both agenda items were presented a discussion took place on how and where the reductions should come from. Input from the College community is crucial during this time and the Planning and Budget Committee announced that it will have available next week a Discussion Board on their website so that the College community can send its suggestions and thoughts on budget reductions for the College. In the meantime they can be sent to Martin Partlan. It was noted that every component of the College will be looked at and considered. The Planning and Budget Committee plan to have their recommendations to President Mohr at the beginning of the Winter Recess. It was also noted that the Planning and Budget Committee will be meeting now on a weekly basis every Wednesday from 2:00 to 4:00 p.m. in Building 2, Room 10. An All College Meeting has also been planned for Tuesday, November 18th from 12:30 to 2:00 p.m. in Building 3, Room 142 with Kathy Blackwood, Chief Financial Officer, for our District speaking on the state of the budget.

4) ADJOURNMENT  The meeting was adjourned at 2:00 p.m.
