- Support with Reservation
- Do Not Support (Explanation Required)

## Comment or Explanation:

As with all of the CTE coordinator positions, this release time is absolutely vital to the program. CTE coordinators must do a number of tasks that are necessary to the vitality of the program, but also need to be done by someone with intimate knowledge of both the program and industry. I will always and forever support these positions. Without them, you would burn through BDW Deans even faster as CTE has so many additional requirements and needs than other academic areas.
