

IPC Achievements 2025 - 2026

Program Reviews

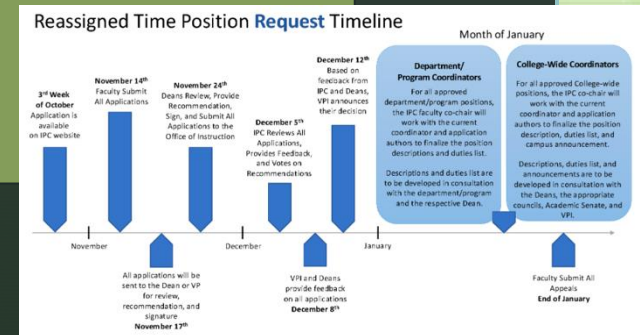

- Provided feedback on 14 program reviews!
- Approved and used new rubrics
- Lessons learned/relearned:
 - PDF files can be challenging
 - Need for spring semester submission option for tenure-track faculty departments
 - Provided feedback on 14 program reviews!
 - Should better highlight deferral options in Spring communications
 - Recognition for need to improve “vibes” of the program review process
- Related Goals/Possible To Do:
 - Explore alternative to PDF version of rubric
 - Better clarify audience of program review for the writers

Program Review Presentations

Reassigned Time Applications

- Provided recommendations on **15** Reassigned Time Applications
- Increased the guidance provided on the Reassigned Time application
- Lessons learned:
 - Need for rubric or more guidance for review and voting
 - Need for more pro-active outreach regarding duties list for position writers
 - More guidance on difference between Appendix D duties versus appropriate reassigned time duties

Strategic Enrollment Management Plan and Accreditation ISER Feedback

- Reviewed **25** Strategic Enrollment Management Plan Initiatives
- Concluded Review of IPC-connected Strategic Enrollment Management Plan Initiatives
- Finished our feedback on Institutional Self-Evaluation Report (ISER)
- Continued great collaboration with Academic Senate

And More!

- Offered feedback on college's Regular and Substantive Interaction (RSI) efforts for Distance Education courses
- Offered feedback on college's Student Equity and Achievement Plan (SEAP)
- Recommended change to Institutional Learning Outcome (ILO) #4
- Recommended changes to Distance Education Handbook
- Recommended changes to the Program Improvement and Viability Process
- Reviewed possible changes to Student Learning Outcome review cycles and Program Review cycles
- Reviewed multiple reports and types of data related to student enrollments and degree/certificate completion
- Reviewed College-wide Accessibility efforts
- Reviewed Program Completeness Dashboard
