Dear Community Partner:

Thank you for your ongoing support of Cañada College and our annual President's Luncheon. We hope this message finds you all safe and well during these trying times. As a college, we have continued to serve our students and have found that student needs have been significantly exacerbated by the COVID-19 crisis. As a result, our donors and sponsors are more important than ever. If there was ever a time for us to mobilize as a community- it is now.

The Third Annual President's Luncheon will be held, virtually, on Tuesday, October 20, 2020 at 12 p.m. Even if you are unable to attend, we hope your organization can support our students with their basic needs.

Due to COVID-19, the Cañada College community, feels it is important to respond to the immediate basic needs of our students and their families which includes assistance with food and technology, so students can continue to study. In response to the pandemic, you will notice that sponsor levels have been adjusted to reasonably accommodate any organization's budget while making an effective contribution to the college community. Please know that your support will contribute to the Cañada College Scholarship Fund for student's daily basic needs such as groceries, food vouchers, Chromebooks and hot spots to name a few. Our student community needs us to show up for them more than ever.

If you have any questions, or would like to explore a custom sponsorship, please contact Megan Rodriguez Antone at (650) 306-3718 or rodriguezma@smccd.edu. Thank you for your consideration and look forward to seeing you virtually at our President's Luncheon on October 20!

Sincerely,
