BRAND APPROVED LOGO, SEAL AND LOGOTYPES

USE OF THE COLLEGE NAME IN TEXT

The word “Cañada” is pronounced cahn-YAH-duh. The origins of the word are Spanish, and it means a small canyon, glen or ravine. The proper use of our college name is vital to our representation of our mission and branding. Please, do not:

- use the college name in plural form
- hyphenate or dissect the name in any form
- combine the name with other words to form new names

Properly typing and writing our name is the most important aspect of differentiating our college and brand from other entities. ALWAYS be sure to use a tilde (˜) over the “n” or “N.”

- Cañada College  | CAÑADA COLLEGE

SHORTCUTS FOR THE TILDE

How to type “ñ” on a PC: hold “ALT + 0241”  |  How to type “Ñ” on a PC” hold “ALT + 0209”
How to type on a Mac: hold “Option + N” then either lowercase n for “ñ” or capital N for “Ñ”

EXCEPTION: The website URL is a single word, and DOES NOT USE A TILDE. In order for our web addresses to display correctly, our home page and ALL interior pages should appear, and be created, in lower case letters:

canadacollege.edu  | canadacollege.edu/marketing  | canadacollege.edu/marketing/styleguide.php
The Cañada College logo is vital to our brand. This guide should help to ensure the use of the logo and all of its variations properly.

The college logo should be used on all outdoor and indoor signage and marketing collateral such as brochures, website, advertisements, training materials, and event-related materials.

Please observe the clear space that is around the logo. Nothing should intrude this specific area. When in doubt, please leave enough room around it. The preferred logos are the college green, black, or white logos over simple, solid backgrounds. It is also okay to simply use “Cañada College” in the college font.
CAÑADA COLLEGE SEAL AND ITS PROPER USE

The Cañada College seal is mainly used by the Office of the President and the Marketing Department for specific use.

For promotional material, please use the college logo and not the seal. If the seal needs to be used for a specific material or website, please contact the Marketing Department at canmarketing@smccd.edu.

Please observe the clear space that is around the seal. Nothing should intrude this specific area. The preferred use is our green logo on a white/light background.

The Cañada College seal consists of a custom tree illustration in the middle of a set of three concentric circles, the college name and the words “Established 1968”, all in upper case letters. The typeface used is ITC Garamond.
For all college logos and college seal, **DO NOT:**

1. Print in a repeat pattern
2. Alter or stretch disproportionately
3. Change the authorized colors
4. Use patterned backgrounds behind the logo
5. Change the orientation
6. Add extra effects. This includes but is not limited to: bevel, emboss, shadows, glow, etc.
7. Attempt to recreate the logo
8. Make alterations, additions, or substitutions to the words
9. Display the logo on busy photography
Department/services logotypes, or otherwise known as sub branding, have been created for Cañada’s programs as part of the College’s identity system. Always use approved artwork and do not attempt to typeset or create any logos on your own. Unauthorized logos will not be used and the main Cañada College logo should be placed first in all promotional material. For the program unit logo type, the “Cañada College” name is used in the proper Garamond font, and a line separates the College name from the program name written below it. Icons or “image branding” should not be placed or used next to any logo at any time.

DEPARTMENT/SERVICES LOGOTYPES PROPER USE

Please observe the clear space around the Department/Service Logotype highlighted in yellow. Nothing should intrude this specific area. The preferred color use for department/service logotypes is Cañada Green and it can be used on white/light background. When the green logo can’t be used, the other approved colors are back and white. Cañada Yellow is not an approved color for department/service logotypes.

Sample Department/Service/Cohort Logos:
For all college department/services logotypes, **DO NOT**: 

1. Attempt to:
   - combine with other logos such as Colts or other elements
   - add images/graphics/icons
   - make alterations
   - add/subtract words

2. Alter, stretch or rotate the logo

3. Use patterned backgrounds behind the logo or images that cause the logo to be illegible

4. Add extra effects. This includes but is not limited to: bevel, emboss, shadows, glow, etc.

5. Change the authorized colors

INCORRECT DEPARTMENT/SERVICES LOGOTYPE USAGE
If illustrations/graphics/icons are present in swag items such as T-Shirts, Bags or other, ensure these elements do not interact with the logo either by visual connection or close proximity.
The Seal should not be used on SWAG or other department promotional materials. For promotional material, please use the college logo and department/service logotypes.

Logo or Icon use is approved but printing or manufacturing issues may be present.
DEPARTMENT/SERVICES LOGOTYPE USAGE ON SWAG

If illustrations/graphics/icons are present in swag items such as T-Shirts, Bags or other, ensure these elements do not interact with the logo either by visual connection or close proximity.

Some students and community programs have unique logos created to better help individualize them for marketing purposes. While they may contain unique graphical elements and font styling, these logos must adhere to the standards developed. Individual programs MAY NOT create their own logo for official use without the Marketing Department approval. If you need a department logo, please submit a Marketing Request and fill out the entire form at: canadacollege.edu/marketing/requestform.php

BRAND APPROVED FONTS & COLORS

APPROVED TYPOGRAPHY

GARAMOND AND FRANKLIN GOTHIC

Garamond is the College’s main font and it is used in our Cañada College logo. Please do not attempt to recreate the logo, the seal or department/service logotypes—use only the approved artwork and fonts supplied by the Marketing Department.

Franklin Gothic is our secondary, supplemental, sans serif font that has multiple styles and uses. Please use these main two Cañada College fonts, or similar ones, whenever possible. Garamond and Franklin Gothic are both used in Cañada College department/service logotypes or Sub Branding Logos.

When working with printed materials, Garamond or Franklin Gothic fonts are preferred. You may use Garamond or Franklin Gothic for paragraph text or headlines when working on a printed material. If Garamond is unavailable, please use the font Adobe Garamond Pro or ITC Garamond.

For digital or web content, a sans serif font is always the best option for maximum readability and accessibility. For the Cañada College website, Open Sans is the preferred font.
GARAMOND, A SERIF FONT

Garamond is considered a “serif” font, or a font that has a little line or “stroke” at the end of the longer lines within a letter. A “sans serif” font is one that does not contain the extra small lines at the ends of the longer lines, hence the “sans” portion.

See image to the right for an example.

Please try and approximate as much as possible.

There are many creative ways to advertise your event around campus and within the community. Brochures, posters, fliers, digital ads, social media graphics, and more can help get your point across. Please make sure to try and approximate the suggestions throughout this style guide.

GENERAL GUIDELINES

For event banners (bridge between buildings 17 & 18) and club/program materials (building 9) on campus:

IMPORTANT: Please allow 10 business days before your ideal posting date to have your banner processed and displayed. Banners are hung on a first-come, first-served basis and must not exceed 4 feet x 14 feet. A club/program banner may be hung for a period of at least one month and can stay longer pending other requests to ensure that each on-campus club/program has equitable posting time. An event banner may be hung for a period of no longer than 5 business days before the event.

POSTING OF BANNERS:

To post, please bring your banner to the Marketing Department (Building 8, Rooms 111/112) for banner review and approval. Once the banner is approved by the Marketing Department, Marketing will work with Campus Facilities to schedule a date to install the banner. When the banner is ready for removal, Facilities will remove and return the banner to the club/program within two business days after the event date.

Posting of Printed Materials on Campus: All materials (posters, fliers, etc.) to be posted on campus must be approved and date stamped by the Center for Student Life and Leadership Development. The campus posting policy can be found at canadacollege.edu/studentlife/posting.php.
The Marketing Department coordinates with campus Facilities to arrange for banners to be displayed at the Main Entrance (Farm Hill Boulevard) of campus. Please send requests to the Marketing Department at canmarketing@smccd.edu.

**IMPORTANT:** To post a banner, the event must be a Cañada College event, hosted, coordinated or sponsored by a college division, program, or organization. All banners are required to be reviewed and approved by the Marketing Department before being displayed. Banners must be double-sided, in good condition and cannot have tape, or other corrective materials, on it. Please include the event name, date and contact (website or phone number for more information). Banners need to be a dimension of at least 2 feet x 12 feet (suggested size: 3 feet x 12 feet) with grommets around at least all four corners (extra grommets along every 2 feet, and slits for wind, is recommended). The college is not responsible for damaged banners, including damage due to inclement weather. One banner will be displayed at a time for no more than 5 days. Please place your request at least 2-3 weeks before desired posting date to ensure availability.

**NOTE:** If you need assistance from the Marketing Department to design a banner, please complete the Marketing request assistance request form. A lead time of 2-3 weeks before the desired posting date is preferred. Please fill out the entire form at: canadacollege.edu/marketing/requestform.php
In order to facilitate your design time, there are Cañada College templates, headers and footers within the Marketing website. The template sizes and designed footers and headers can all be found on this web page: canadacollege.edu/marketing/design-resources-policies.php

**Templates:** For print ease-ability, please try to design in the following sizes: 8.5”x11”, 11”x17”, 18”x24”, and 24”x36”. Place a header and/or footer if needed. Footers with important information and a call to action are always preferred in any design.

**Headers and Footers:** The following Headers and Footers can be used on any design template (Word, InDesign, Publisher, Illustrator, FrontPage, etc) to easily maintain our brand on printed materials. They are provided to you in “.png” format, which is ready to include in your design with a “Clear/transparent” background. The png file will open in your browser window - right click on it and choose ‘Save Picture As’ and save it to the location of your choice.
