at the Cañada College

Menlo Park Center

and get hands on training

to work in the Health and Human

Services field!

2/19/2014

# The Health & Human Services Patient Navigation Program

SPONSORED BY ASIAN AMERICANS FOR COMMUNITY INVOLVEMENT (AACI) & CAÑADA COLLEGE

Here is your chance to get involved in healthcare!  
Contact us for more information!

## Our program offers great benefits!

Are you interested in helping others?

Do you have skills in educating or advocating? Are you interested in a career in the health and human services field? If so, our Health and Human Services Patient Navigation Program might be the right choice for you!

Help patients navigate through complex healthcare systems, including the Affordable Care Act, during their time of need.

Join a 1-year cohort program at the Cañada College Menlo Park Center to begin your career in the Health and Human Services field!

### Cohort Learning

Students in the Health & Human Services Patient Navigation Program will be with a group of 20-25 peers throughout the program. Interact, study, and learn with your cohorts as you journey through the program together. Get the support you need from the instructors, counselors, AND your peers!

### Free Courses and Textbooks!

The Patient Navigation Program is free to qualified individuals saving students hundreds of dollars!

### Hands-on Experience

Students participating in the Health & Human Services Patient Navigation Program will have an opportunity to participate in an internship their second semester if they meet all program requirements. Students will gain hands-on experience in the health and human services field!

### Chance to Explore

Explore the healthcare field! Students in the Patient Navigation Program will have opportunities to explore different careers in the health and human services field, not just patient navigation.

### Support

Get the support you need! Students in the program will have workshop opportunities and guidance from our Human Services counselor. The college counselor will advise you with your educational goals, provide assistance on continue your education, apply for certificates and degrees, transfer to a 4-year college. Our counselor will be on site one night a week.

The health and human services field offers many opportunities for you to apply your life skills and experiences helping others. Trained, caring individuals are in high demand! Join us!

Hurry registration begins in early spring!
