Thursday evenings & some Saturdays.

## Health & Human Services Patient Navigation Program

Join our 1-year program  
at the Cañada College  
Menlo Park Center  
and get hands on training  
to work in the Health and Human  
Services field!

## Patient Navigation & Health Promotion

SPONSORED BY AACI & CAÑADA COLLEGE

Here is your chance to get involved in healthcare!  
Contact us for more information!

## The Patient Navigation Program/ Promotor Education & Empowerment Program

### Our program offers great benefits!

Are you interested in helping others?  
Do you have skills in educating or  
advocating? Are you interested in a  
career in the health and  
human services field?

If so, our  
Patient Navigation Program  
might be the right choice for you!

Help patients navigate through  
complex healthcare systems,  
including the Affordable Care Act,  
during their time of need.

Join us for a 1-year cohort  
program at the Cañada College  
Menlo Park Center to become a  
Patient Care Navigator!

#### Cohort Learning

Students in the Patient Navigation Program will be with a group of 20-25 peers throughout the program. Interact, study, and learn with your cohorts as you journey through the program together. Get the support you need from your instructors, counselors AND your peers!

#### Free Courses and Textbooks!

Courses in the Patient Navigation Program are free to qualified students! Tuition and textbooks for Patient Navigation courses will be provided for students who qualify, saving students hundreds of dollars!

#### Hands-on Experience

Students participating in the Patient Navigation Program will have an opportunity to participate in an internship their second semester if they meet all program requirements. Students will gain hands-on experience in the health and human services field!

#### Chance to Explore

Explore the healthcare field! Students in the Patient Navigation Program will have opportunities to explore different careers in the health and human services field, not just patient navigation.

#### Support

Get the support you need! Students in the program will have workshop opportunities, guidance from our Human Services college counselor and AACI staff on continuing their education, applying for certificates and degrees, transferring to a 4-year college, assistance in applying for financial aid, scholarships, Cal Grants, and more!

Fall 2014 Semester  
August 18 - December 17

Spring 2015 Semester  
January 12 - May 22
