Financial aid available.

Canada College is one of the mostly highly rated Community Colleges in California!

Cañada College was recently named:

- One of Northern California's top 10 Community Colleges by [US News & World Report](http://canadacollege.edu/news/index.php?postID=534338489480656143&id=5670366946617807975) (August, 2015)
- One of California's top 25 Community by SCHOOLS.COM (<http://redwoodcity-woodside.patch.com/articles/ca-ada-college-named-top-25-schools-in-state>) (July 2012)
- One of the highest rated colleges by *Standard and Poor's and Moody's Rating Services*, the only public higher education institution in the State (UC, CSU) and community colleges to be assigned these ratings. (2014)

Canada College has expanded its current **College for Working Adults** program to allow students with credits from an accredited institution to transfer into one of our current cohorts. **You may be able to graduate in as little as two semesters!** Here are our program highlights:

- ❖ Classes held only on Thursday evening and every other Saturday.
- ❖ Students will receive priority enrollment in all College for Working Adult classes. **CWA classes are guaranteed...NO WAITLISTS...EVER!**
- ❖ Students will follow a [predetermined set of classes](#), eliminating guesswork about degree and transfer requirements.
- ❖ Now CWA students will earn one or all of the following four degrees:
 1. *Psychology*
 2. *Interdisciplinary Studies: Social and Behavioral Sciences*
 3. *Interdisciplinary Studies: Arts & Humanities*
 4. *Economics* (for those seeking a 4-year degree in Business)
- ❖ The 60+ credits earned in this program fulfill all general education and transfer requirements for most public and private colleges and universities.
- ❖ Students join a "learning community". They will start and complete the program with the same group of students. This provides students a deeper understanding of the courses' subject matter while they build relationships and learn together inside and outside of the classroom.
- ❖ Students receive one-on-one academic advising/counseling from our designated CWA counselor to ensure they get started on the right track and stay on track throughout the program.

To enroll in the **College for Working Adults** program, go to our website at www.canadacollege.edu/CWA. Click the APPLY tab and complete the online application. If you have questions or need more information about the program, email canadacwa@smccd.edu or call (650) 306-3310.

Our next cohort of 35 students will begin Thursday, January 21, 2016
