See what students are saying about the College for Working Adults!

I always was afraid of everything that had to do with registering for school, buying books, charting my own academic course, etc. (fear of failure I guess!) so if it wasn't for CWA, I wouldn't be in school. I love having this opportunity so thanks, thanks, thanks!!

Karen Turner

Immaculate Heart of Mary School, Belmont, CA

Wow, I thought it would never happen, but I am a student. It's great and I am excited to pursue this new and wonderful opportunity....Thanks again for helping me along the way. ☺

Shaina Denner, HS Office Supervisor

...when I started the (CWA) program, I was committed, but it's hard work and your resolve is continually tested. Now, I'm graduating in May with two degrees!
