Cañada College was recently named:

- One of Northern California's top 10 Community Colleges by *US News & World Report* (August, 2015) <http://Cañadacollege.edu/news/index.php?postID=534338489480656143&id=5670366946617807975>
- One of California's top 25 Community by *SCHOOLS.COM* (<http://redwoodcity-woodside.patch.com/articles/ca-ada-college-named-top-25-schools-in-state>) (July 2012)
- One of the highest rated colleges by *Standard and Poor's and Moody's Rating Services*, the only public institution in the state among all colleges and universities (UC, CSU, and Community Colleges) to be assigned these ratings. (2014)

Cañada College has expanded its current College for Working Adults program to allow students with credits from an accredited institution to transfer into one of our current cohorts. **You may be able to graduate in as little as two semesters!** Here are our program highlights:

- ❖ Classes held only on Thursday evening and two Saturdays per month.
- ❖ Students will receive priority enrollment in all College for Working Adult classes. **CWA classes are guaranteed...**
NO WAITLISTS...EVER!
- ❖ Students will follow a [predetermined set of classes](#), eliminating guesswork about degree and transfer requirements.
- ❖ Now CWA students will earn one or all of the following four degrees:
 1. *Psychology, AA-T*
 2. *Interdisciplinary Studies: Social and Behavioral Sciences*
 3. *Interdisciplinary Studies: Arts & Humanities*
 4. *Economics* (for those seeking a 4-year degree in Business)
- ❖ The 60+ credits earned in this program fulfill all general education and transfer requirements for most public and private colleges and universities.
- ❖ Students join a "learning community". They will start and complete the program with the same group of students. This provides students a deeper understanding of the courses' subject matter while they build relationships and learn together inside and outside of the classroom.
- ❖ Students receive one-on-one academic advising/counseling from our designated CWA counselor to ensure they get started on the right track and stay on track throughout the program.
