## See what students are saying about the College for Working Adults

I always was afraid of everything that had to do with registering for school, buying books, charting my own academic course, etc. (fear of failure I guess!) so if it wasn't for CWA, I wouldn't be in school. I love having this opportunity so thanks, thanks, thanks!!

Karen Turner  
Immaculate Heart of Mary School, Belmont, CA

*Wow, I thought it would never happen, but I am a student. It's great and I am excited to pursue this new and wonderful opportunity....Thanks again for helping me along the way. ☺*

Shaina Denner, HS Office Supervisor  
Santa Clara County Health & Hospital System

*...when I started the (CWA) program, I was committed, but it's hard work and your resolve is continually tested. Now, I'm graduating in May with two degrees!*

Siosua "C2" Vea, Administrative Services Specialist  
Job Train, Menlo Park
