- One of California's top 25 Community by [SCHOOLS.COM](#) (<http://redwoodcity-woodside.patch.com/articles/ca-ada-college-named-top-25-schools-in-state>) (July 2012)

Cañada College has expanded its current College for Working Adults program to allow students with units from an accredited institution to transfer into one of our current cohorts. **You may be able to graduate in as little as two semesters!** Here are our program highlights:

- ❖ Classes held only on Thursday evening and two Saturday mornings per month.
- ❖ Students will receive priority registration in all CWA classes. **Enrollment is guaranteed! No waitlists ever!**
- ❖ Students will follow a predetermined set of classes, eliminating guesswork about degree and transfer requirements.
- ❖ Now CWA students will earn one to three of the following four degrees:
 - 1. AA-T-Social Work & Human Services (Coming Fall 2019)**
 2. AA-T Psychology
 3. AA-T Sociology
 4. AA Interdisciplinary Studies: Social and Behavioral Sciences
 5. AA Interdisciplinary Studies: Arts & Humanities
 6. AA Economics (for those seeking a 4-year degree in Business)
- ❖ The 60+ credits earned in this program fulfill all general education and transfer requirements for most public and private colleges and universities.
- ❖ Students join a "learning community". They will start and complete the program with the same group of students. This allows students to build relationships and learn together inside and outside of the classroom.
- ❖ Students receive one-on-one academic advising/counseling from our designated CWA counselor to ensure students get started on the right track, and stay on track throughout the program.
- ❖ Students receive dedicated tutoring support from our own CWA tutors who are familiar with our CWA curriculum and course content. Our tutors will attend class with you to identify areas that require special attention.
