

## Weekly Update 8-23-19

### Welcome Week

We kicked off the beginning of the academic year with a series of exciting, “Welcome Week” event activities. These events were hosted by the Office of Student Life & Leadership Development and Student Senate. We all thank them for making our new and returning Cañadians feel welcomed and prepared for the new year!

## Campus Climate

As I mentioned during Opening Day, campus leadership is looking closely at the results of the Campus Climate Survey administered last spring. We continue to discuss and come to understand the sentiments expressed in the survey. In an effort to continue transparency, leadership has launched three efforts to address issues expressed immediately:

- Organize a community-building event this fall semester – Classified Senate will take the lead!
- Create a more structured on-boarding process for new employees
- Be more intentional about using Fridays as time for campus collaboration

Stay tuned for more to come about this. And, as always, please feel free to reach out to me to discuss campus climate issues.

## Promise Welcome Day!!

The Promise Scholars Program, with support from the Cañada campus community, hosted its Promise Welcome Day. The program welcomed close to 300 new and returning students to campus with presentations from faculty and staff, a Parent Information Session, opportunities to pick up textbooks and school identification cards, along with general orientation information for each student's success. Thank you to the Promise Team for ALL of the work they are doing in support of our students and the College.

## Enrollment is Looking Good!

While overall District enrollments for Fall 2019 are down by 3.6%, Cañada's enrollments are looking good. These numbers fluctuate day-to-day, but we are nearly on track with our enrollments this time last year. Note that these figures do not yet include late start classes.

Many thanks to all of you and all you do to make Cañada a vibrant, welcoming place!
