Thank you to the students, faculty and staff members who helped kick off the season at Tuesday's Cañada College Holiday Open House. Thank you to the Office of Student Services, Office of Instruction and Office of Administrative Services who co-hosted delicious treats and holiday cheer.

Program Review Resource Request Prioritization Timeline Extended

On Wednesday, the Planning and Budgeting Council (PBC) decided to extend the timeline for reviewing and prioritizing the more than 300 requests for non-personnel resources submitted via this year's Program Review process. A PBC task force has been charged with returning to PBC in January with recommendations for improving and streamlining the prioritization process this year. As these requests are for resources from the College's 2020-21 fiscal year budget, the extended prioritization timeline will not impact the purchasing timeline.
