For more information about the process, please contact PBC Co-Chairs [Diana Tedone-Goldstone](#) or Jeanne Stalker

### **Faculty Reassigned Time**

The Instructional Planning Council in collaboration with Academic Senate has worked to refine the Reassigned Time Application Process. There is now a separate application for NEW position proposals and RENEWALS. Please review the new process that is listed below.

#### *Deadlines:*

NEW and RENEWAL applications are due November 15 to your dean. Deans will have a week to review the applications before forwarding them to the Office of Instruction.

#### *Applications:*

The NEW reassigned time position proposal is now shorter. You can access the application [here](#).

The RENEWAL reassigned time position proposal now consists of just two questions. You can access the application [here](#).

#### *Results:*

Applications will be reviewed by IPC during their December 6th meeting. Informed by the feedback provided by IPC, the VPI will announce which proposals for reassignment have been approved and denied by **Friday, December 13th**.

*More information:*

Please visit [IPC's webpage](#) for detailed information on the process, timelines, etc. Please consider the Office of Instruction as a resource if you choose to submit an application. Meet with your Dean first- if you are interested. For NEW applications, please also pay careful attention to question 7 specific to responsibilities (to help you avoid any overlap in duties, make sure to reference [Appendix D1](#) from the faculty contract). If you need the assistance of the Office of Instruction, please send me an email should you have questions. I am available at any point in the process to review, discuss, and revise with you the application before you submit it to your Dean and finally to the Office of Instruction.

Have a wonderful weekend!

Sincerely,  
Jamillah Moore, Ed.D.  
President
